# About OSGU, Hisar

Om Sterling Global University was established in March, 2019 and is dedicated to achieve its vision, mission and objectives through academic excellence in all areas of knowledge and skills. The university is spread over 30 acres of fully-developed institutional land with a lush green campus, modern infrastructure and excellent academic atmosphere. Inspired by its vision and mission, the campus has been designed and developed with great sense of aesthetics to provide eco-friendly environment and ambience to provide comfort and zeal for learning. As a temple of education, the University aims at producing world class academicians, researchers and leaders in diverse fields by embedding high moral values in its students, commitment to excellence, and enthusiasm for continuous intellectual development.

## About Bingham University, Nigeria

Bingham University located in Karu, 25 kilometres from the Federal Capital city of Nigeria Abuja, was established in 2005 by the Evangelical Church Winning All (ECWA) as a Conventional University. It is one of the six private universities in the north and the only one established by a Christian organisation. The main purpose of ECWA was to meet the daring need for high quality Secular Education which recognises and integrates the moral and spiritual values on which the Christian faith is founded as well as focuses on entrepreneurial studies in order to promote self-reliance among graduates of the University.
