

## INDUSTRY ACADEMIA INTERFACE CELL (IAIC)

### Preamble

The transition from student to a corporate environment is a big adjustment for many graduates. Expectations and responsibilities in the workplace are very different than those in university. There are unspoken nuances and social norms that many students are completely unaware of and adjusting to a professional environment can be extremely challenging. It is important that newly passed out students are prepared for the changes and ready to adapt in order to thrive in the professional world. To support student in this regard, a cell namely Industry Academia Interface Cell is formed. The primary objective of this cell is to facilitate interface between the University and the Industry so that students get more exposure to the Industry which would help to develop their skills and in turn increase their employability.
