Bhavyavani 90.0 FM : A platform for students of journalism

The community radio station (Bhavyavani) established in the Department of Journalism and Mass Communication of OSGU was inaugurated on 4th December 2022 by Mr. Anurag Singh Thakur, Minister of Information and Broadcasting and Youth Affairs and Sports, Government of India. On this occasion, along with, Chancellor, Dr. Puneet Goyal and Pro Chancellor, Dr. Poonam Goyal, Lok Sabha MP from Hisar Sh. Brijendra Singh and Urban Local Bodies Minister Dr. Kamal Gupta were also present. During the event, Mr. Thakur's congratulatory message was recorded & aired on 'Bhavyavani' 90.0 FM . The tagline of Bhavyavani is 'Driving

Sh. Anurag Thakur, Cabinet Minister

the Reality'. Along with providing practical exposure to the students of journalism, Bhavyavani 90.0 FM, also provides a platform to the students to enhance their talent during the course.

Experts and Celebrities from different fields participated in the programs aired on Bhavyavani. Apart to this, TV studios have also been set up in the journalism department, where students are given complete information about electronic media included in the syllabus. News bulletins are given from the TV studios by the students of the journalism department. The department provides numerous Diploma, Graduation and PhD programmes. From time to time, the Department of Journalism and Mass Communication organizes placement of students in various newspapers and news channels.

Breaking down barriers : OSGU ensures equal opportunities for all

Om Sterling
Global University

At Om Sterling Global University, our objective is to inculcate values in students such as equality in education for all, along with much needed environmental protection. Built on the vision of improving society through education and building better future for

all, we are committed to our core values such as student centric, quality education, ethical work environment, national & international collaboration and students engagement. We are also committed for providing equal opportunities to all for education irrespective of gender, cast or creed. We

are especially concerned for marginalized groups like the poor, females and the minorities. Therefore, as social responsibility; we provide financial support in the form of scholarships, subsidies etc. to deserving students from the deprived sections of the society.

We aim at developing interculturality among students by fostering cross cultural and global awareness- in addition of preparing students for their personal and professional lives in intercultural spaces, our dynamic and industry-oriented curriculum

serve to prepare students to contribute to global sustainable futures.

We inculcate self-control and discipline among our students and conduct free self-defense classes especially for female students for their safety all along with various Students Clubs and Cells. Our lush green peaceful and secured campus has lawns, sports and gym facility for Yoga, meditation, and exercise through open and indoor gym along with the modern lecture theaters, labs and tutorials.

Unveiling our vision for global leadership excellence

Dr. Punit Goyal
Chancellor
Om Sterling
Global University

With a vision of creating a unique identity in the field of education and to evolve as one of the best private universities in India we feel bound and are fully focused on producing globally acceptable human resources through internationally benchmarked academic practices and applied

research invoking great ancient Indian ethos and value system. Our group is unwavering in its commitment to provide quality education of global standards to the students who are about to step into the professional realm; full of challenges but also opportunities. While giving them space to spread their wings,

OSGU realized that we need to set up an education system that fosters the highest degree of values and encourages students to aspire for greater goals.

I believe Om Sterling Global University is uniquely poised to harness the power of science and technology, all along the gamut from applied sciences to engineering, advancement for society, and deeply enriched by the wisdom and creative power of the humanities, the arts, paramedical, education, the social sciences, commerce & management, architecture and fine arts.

The swift advancement

of technology has had a considerable effect on teaching, especially after the Covid-19 pandemic. We are continuously committed to provide ultra-advanced level state of the art driven infrastructure along with handpicked experienced faculty members who are well acquainted with the use of creative technology to deliver instructions, which indicates the growing domination of technology in academic environment all along with ethical and value based environment.

Knock! Knock! OSGU Opens the door for opportunities

OSGU has exemplified the sense of social responsibility towards the students of other colleges and universities too. Accordingly, a yearly Mega Pool Campus Placement Drive was organized where 2500 students including OSGU students and 75 National and Multi-National Companies participated in the drive. Around 450 students were selected by the companies. The authorities of other universities/colleges, parents and students extended their heartfelt gratitude to the OSGU.
