OM STERLING GLOBAL UNIVERSITY

(ESTABLISHED UNDER HARYANA PRIVATE UNIVERSITIES ACT - 2006 AS PER SECTION 2F OF UGC ACT - 1956)

Om Sterling Global University, declared as state private university under Haryana Private Universities Act-2006 and approved by UGC under section 2(f) of UGC Act, 1956 dedicates itself to achieve its vision, mission and objectives through academic excellence in all spheres of knowledge.

The University is spread over 35 acres of fully-developed institutional land, has a lush green campus with modern infrastructure and excellent academic atmosphere. In line with its vision and mission, the campus has

An aerial photograph of the Om Sterling Global University campus. The main building is a large, multi-story structure with a white facade and blue accents, featuring a prominent tower with a blue dome. The word 'MANAGEMENT' is visible on the building's facade. To the left, another building has 'NOLOGY' visible. In the foreground, there is a large green lawn, a basketball court with several players, and a parking area with several cars. A red gate structure at the bottom of the frame has 'OM STERLING GLOBAL UNIVERSITY' written on it. The background shows a mix of urban buildings and green fields.

This. is. OSGU

A place where culture stands out and the phone boxes are of different colours. A place where we've free thinking, are independent and proud of it.

been designed and developed with great sense of aesthetics to provide eco-friendly environment and ambience to stimulate hunger for learning. As a temple of education, this University aims at producing High Grade academicians and leaders in all spheres of life by embedding in its students high moral values, commitment to excellence, and zeal for incessant pursuit of knowledge.

To create a special identity in pursuit of higher academic excellence with focus on holistic human development. It aspires to evolve as one of the best private self-financing multi-faculty universities fully focused on producing globally acceptable manpower through internationally benchmarked academic practices and applied research invoking ancient Indian ethos and value system.

Vision

To create state-of-the-art infrastructure specially well-equipped labs to ensure skill oriented learning in a pleasing environment.

To engage qualified and industry experienced faculty members fully capable of mentoring young ignited minds, evolving as per needs of the time.

To develop curricula with right mix of knowledge, skills, attitude and behavior fully aligned with the world of work.

To disseminate knowledge leading to technology transfer for the benefit of society.

To create vibrating network with industry, academia, society and the government for sustainable development.

To contribute effectively in job creation with focus on promoting entrepreneurship through schemes like Make in India, Startup India, Digital India etc.

Mission

Built on the Vision that education serves as a keystone in improving society and building better future for all, we are committed to our Core Values of:

- Excellence
- Diversity
- Passion and Determination
- Ethics in Work and Behavior
- Collaboration and Public Engagement
- Student focus - Adventure & Creativity
- Dignity
- Humbleness

Our mission is to create leaders, winners and achievers in the competitive scenario. Leaders who inspire a vision, winners who set positive paradigms of action and achievers who have the will and the strength to make a difference in the global society.

Core Values

OSGU has always believed in making its programmes/curricula truly global. In a unique collaborative effort with some of the best Universities in the world. Students of OSGU will be taught and trained by some of the most reputed faculty members from India and abroad. Our tie-up with some reputed Universities overseas will provide a unique opportunity to our students to avail the facilities of students exchange program, training etc.

International Edge

Why to study at

OSGU?

Focus on Research & Development

At OSGU the focus is on establishment of centers for research and development. Under expert aegis of mentors students are propelled to embark on research work at different centers.

In-Depth Project Work

For an effortless culmination of theoretical know-how to practical knowledge, the students are driven to undertake various projects with different organisations under expert guidance of their mentors.

Highly Knowledgeable Intellectual Pool

OSGU takes pride in its highly resplendent team of intellectual capital. Extreme care is exercised in hiring the best faculty. The faculty not only holds the industry experience but also makes sure that the students benefit immensely from the knowledge they hold.

Student Driven Societies & Clubs

There are many societies & clubs to leverage student potential in creativity, planning, controlling and organizing the activities.

Curriculum and Teaching Methodology

The best faculty at the university aims to offer best teaching with latest technology assisted tools. Apart from the traditional classroom teaching, several other techniques are used for teaching such as live simulation exercises, web based learning and project works. All these techniques are used so that delivery of knowledge becomes more effective as well as fun and are inbuilt in curriculum.

World Class Infrastructure

Modern building, state-of-the-art, classrooms, fully equipped sports complex, auditorium, hospital, centres of excellence, exhaustive library, campus business park, latest technology labs, trained faculty, lush green lawns spread across 35 acres of land-all of this promise students an amazingly vibrant university life experience.

Multi-Cultural Environment

At OSGU, one can experience a potpourri of different cultures and ways of life as students from every state of India and even abroad are here to develop their competencies. Such intercultural experiences help the students to gain maximum from their learning. Cosmopolitan environment also helps the students to realize their dreams of a successful career.

Rich Repertoire of Knowledge

In the fast changing work environment, latest and most up-to-date course content has become the need of the hour. In order to accomplish this requirement, special review teams are step up with a view to enhance to course content and add on newer as well as wider dimensions to the already existing content.

Strategic Location

OSGU is located strategically in the most happening place in the state of Haryana with about 2 hours drive from New Delhi and situated on Hisar-Chandigarh NH-52.

Rich Legacy of Education

OSGU brings with its name a legacy and rich experience in the arena of education spanning more than 15 years.

Personality Development

Special programmes are conducted by OSGU to help students gain confidence and improve their social skills. Several training sessions on soft skills, etiquettes, presentation skills, personal grooming etc. are held for all the students.

Hostel and Transport Facility

The hostels are well furnished with modern amenities to make the students feel homely and comfortable. The University owns a fleet of buses that run across the city for the convenience of its students and staff.

Language and Communication Lab

A Separate language lab makes English language learning fun and very effective.

Dedicated Central Placement Department

Central Placement department helps students in career skills assessment, resume writing, interview techniques and other soft skill development and support them in finding jobs through industrial linkages.

Holistic Development

Education at OSGU goes beyond books and focuses on holistic development through Yoga, Meditation, Taekwondo and Art of Living workshops.

Case Study Learning

Case based learning enhances analytical and problem solving skills of students enabling them to apply in different management settings, essential to the leadership of business/industry around the world.

Corporate Dress Code

The students dress up in formal attire as per the University decorum.

Message

I am happy to learn that Om Sterling Global University (OSGU) , Hisar, which has been established by Government of Haryana Private University Act, 2006, and is also approved by the UGC under section 2 (f), of UGC Act, 1956, is publishing the university's prospectus for the academic year 2023-24.

It is heartening to be apprised that OSGU is dedicated to achieving its vision, mission and objectives through academic excellence in all areas of Knowledge. As a temple of education, the university aims to contribute to all spheres of life by embedding high moral values, excellence and futuristic knowledge.

The university offers academic programs which not only cover glittering history, present state of youth's demand and futuristic challenges but also the values and ethics necessary for developing the apt citizens. The university understands its accountability towards each section of the society.

I would also like to urge the management and faculty members of OSGU to ensure that poor students are provided with fellowship and are enrolled in different courses of the university so that they are also capable of availing themselves with job opportunities in private and government sectors.

At the same time, efforts should be made to make sure that our youth dream and strive to become job givers, and not job seekers. OSGU should extend every possible help to young boys and girls from weaker sections of society in developing their entrepreneurial skills. For want of resources and guidance, most of them are not able to pursue their business goals.

My best wishes!

संदेश

मुझे यह जानकर अत्यंत खुशी हुई कि ओम स्टर्लिंग ग्लोबल विश्वविद्यालय नव अकादमिक सत्र 2023-24 की शुरुआत करने जा रहा है।

हिसार के निवासी के रूप में मैंने इस प्रतिष्ठित विश्वविद्यालय की विकास यात्रा को करीब से देखा है। मुझे गर्व है कि विद्यार्थियों के लिए यह विश्वविद्यालय उच्चतर शिक्षा में बेहतर अवसर प्रदान करता है।

मैं कामना करता हूं कि विश्वविद्यालय विद्यार्थियों को गुणवत्ता की शिक्षा उपलब्ध करवाने तथा उनके सर्वांगीण विकास के लिए बेहद मददगार सिद्ध होगा। विश्वविद्यालय में शिक्षा अध्ययन के लिए सभी नव विद्यार्थियों सहित विश्वविद्यालय को हार्दिक बधाई देता हूं।

नव अकादमिक वर्ष के शुभारंभ के लिए सभी को बधाई एवं शुभकामनाएं।

संदेश

यह अत्यंत हर्ष का विषय है कि हरियाणा राज्य का प्रतिष्ठित विश्वविद्यालय – औम स्टर्लिंग ग्लोबल विश्वविद्यालय, हिसार अपने नव-अकादमिक सत्र की प्रवेश विवरण-पत्रिका को प्रकाशित करने जा रहा है। वर्ष 2019 में स्थापित हुए इस विश्वविद्यालय के पिछले चार वर्ष स्थानीय, राष्ट्रीय एवं अन्तर्राष्ट्रीय पटल पर एक अच्छी शुरुआत के रूप में देखे जा सकते हैं। मुझे विश्वास है कि यह विश्वविद्यालय आने वाले समय में और भी ऊंचाईयों की ओर अग्रसर होगा।

मैं कामना करता हूं कि सभी विद्यार्थी प्रवेशोपरांत अपनी मेहनत एवं लग्न से शिक्षा ग्रहण करेंगे तथा एक आदर्श नागरिक के रूप में विकसित होंगे। मुझे विश्वास है कि विश्वविद्यालय अपने विद्यार्थियों हेतु शिक्षा के उच्च आयाम तथा सुविधायें निरंतर प्रदान करता रहेगा।

विश्वविद्यालय तथा विद्यार्थियों को मेरी हार्दिक शुभकामनाएँ।

संदेश

मुझे यह जानकर अत्यंत खुशी हुई कि औम स्टर्लिंग ग्लोबल विश्वविद्यालय, हिसार द्वारा बहु-विषयक पाठ्यक्रम शुरू किया गया है।

बेहतर और सही शिक्षा ही राष्ट्रनिर्माण ही नींव है। भारत को ज्ञान आधारित महाशक्ति बनाने के उद्देश्य से विश्वविद्यालय द्वारा शुरू किए गए बहु-विषयक पाठ्यक्रम, देश के युवाओं के उज्ज्वल भविष्य को सवारने में अग्रणी भूमिका निभाएंगे, साथ ही इस पाठ्यक्रम द्वारा शैक्षणिक क्षेत्र में उत्कृष्टता आएगी। आशा है कि यह बहु-विषयक पाठ्यक्रम छात्रों को गुणवत्ता की शिक्षा उपलब्ध करवाने तथा उनके सर्वांगीण विकास के लिए बेहद मददगार सिद्ध होगा।

मैं औम स्टर्लिंग ग्लोबल विश्वविद्यालय को यह पाठ्यक्रम शुरू करने पर बधाई एवं शुभकामनाएं प्रेषित करता हूँ।

(बृजेन्द्र सिंह)

We're ambitious about the future –

both yours as well as ours

**I'm delighted that you're considering OSGU
as the stepping stone to the successful career**

It is a pleasure to welcome you to Om Sterling Global University. I consider this as a progressive thinking for higher learning that meets your aspirations and prepares you for the rewarding career. The learning methodology in OSGU integrates multidisciplinary and interdisciplinary global pedagogy across Engineering & Technology, Architecture & Planning, Legal Studies, Commerce & Management, Applied Sciences, Yoga & Naturopathy, Pharmaceutical Sciences, Teacher Education and Para-Medical Sciences.

The OSGU promotes creativity, innovation, provides opportunities for experimentation, critical analysis, rational thinking and learning by creating conducive environment. We strive to achieve excellence in education with the objective to bring glory to our Nation. Our mission is to maintain a dynamic balance between theoretical knowledge and practical training, along with professional ethics and technical expertise. To ensure the all-round development of our students, our goal is to provide avenues of growth in all aspects of one's personality. In today's world, globalization is swiftly mounting, bringing with it extended individual mobility; breaking borders; increased demand for higher education, growing universal investment; and increased need for continuing education. The time undoubtedly belongs to the human potency and excellence in professional fields. The Om Sterling Global University has been established to nurture and

cultivate young minds in the pursuit of knowledge with the saying that "Education is a taking out of what is already there in the pupil's soul." In a nurturing environment we inspire innovation, encourage entrepreneurship and create a youth capital who is capable of transforming society. The University has global alliances with highly reputed academic institutions and industries. OSGU seeks to educate our students to be responsible, forward looking and creative global citizens so that they can start earning even while learning and soon after completing their studies, they may be able to employ themselves gainfully as self-employed.

The responsibility of the Om Sterling Global University in the context of changing scenario is not only confined to education but also to forecast and meet the future needs of economy. The curriculum and practical training at the Om Sterling Global University, therefore, always keeps in view the emerging trends and global opportunities as focal point.

Dr. Punit Goyal
Chancellor

Exceptional programs ! Outstanding career prospects

Be Creators, future shapers and boundary breakers

OSGU is simply life changing platform where you discover what you're capable of and carry unforgettable memories

We empower you with requisite skills to enhance your employability, confidence to explore new opportunities and confront challenges in the unforeseen future. We have developed a collaborative environment conducive to learning, exposure to the best international practices promotion of innovation and creativity that has enabled the University to be recognized as a premier centre of higher learning. Om Sterling Global University is not only a place for routine study, it is moulded with variety of combinations like indoor and outdoor games, sports, debates, discussions, seminars, performances & development of human qualities through renowned qualified faculty, who are the milestones in the field of education and are pursuing the world standard syllabi for the students.

Education is a ray of light that can carry us upon the path of Greatness. Educated citizens means educated nation which results in Global Accomplishment. We foster quality education which not only imparts knowledge but also inculcates positive human values viz. honesty, fidelity, truthfulness, respect, compassion, humility, care and responsibility. I firmly believe that ability is what one is capable of doing; Motivation determines what one does and Attitude determines how one does, fervently want to steer up my blooming buds so that your Ability is illustrated by performance; your Motivation is your Guru and your Attitude is justified

by your spectacular and awe-inspiring performance all over the globe.

All the students are our kingpin; here they are helped financially at all levels of education. We nourish them with our kindness and love. The campus is in the lap of nature. They enjoy the enriched library, hygienic cafeteria, world class sports facilities etc. The university is ever ready for the students to learn and innovate new dimensions. Our University opens up vistas of incredible academic world in disseminating quality education in pursuit of excellence.

The University is relentlessly grooming the buds with the professional soft skills and is the architect of the innovators who will lead in all walks of life. I welcome all students to this erudite family of Om Sterling Global University where they can shape up their character and career.

Dr. Poonam Goyal
Pro Chancellor

Keeping the doors of learning open

Creativity & Innovation carve a strong future

Welcome to Om Sterling Global University. I firmly believe great universities begin with great faculty. They produce groundbreaking research and attract other scholars and other Intellectuals seeking collaborative opportunities. Along with experts in teaching subjects, OSGU is the place to take your next step in the world of opportunity. And that's just the start of what sets us apart.

Everything on a single campus

Our single-site campus has everything you need to support your university life, including our hostels. Wake up, have tempting breakfast and move on for a lecture. What's more, our campus assures a stress free life with different sports and co-curricular activities within the same premises.

Make yourself highly employable & entrepreneur

We build professional pursuit in every standard program. This means you'll be graduating with relevant expertise, industry contacts and valuable employer references. It's one of the reasons why most of our graduates are either employed or become entrepreneur.

You'll feel inspired

Our teaching is knowledge focused and research-informed, that delivers inspiring lectures along with extensive industry experience.

Ar. Garima Goyal
Chief Executive Director

Dr. Virender Goyal
Founder Member OSGU

It gives me immense pleasure and pride to welcome you to Om Sterling Global University established under the aegis of Om Welfare Society with the aim of producing globally acceptable manpower through internationally benchmarked, academic practices and applied research involving ancient Indian ethos and value system. The campus of OSGU has been built up in a pollution free environment. It is a multi disciplinary university with highly qualified and experienced faculty. The university provides excellent environment of learning and research.

OSGU is the best place for learning and I assure you that the life of students at OSGU campus would be highly rewarding in terms of academic pursuit.

Mr. Pankaj Jain
Founder Member OSGU

The University has world class academic and administrative resources in an eco-friendly green campus which provides great ambience for academic pursuits. To meet international challenges, the curriculum has kept pace with global standards to provide excellent domain knowledge and conducive atmosphere for high end research activities. To groom faculty and students and to support their research and innovative programmes, positive policies are in place. I welcome all the aspiring students to participate in the innovative and interconnected world of limitless opportunities and possibilities at OSGU to learn, perform, create, and study in a place where everyone belongs.

Individually different. Collectively brilliant.

Our **extraordinary** Leadership

Prof. (Dr.) N.P. Kaushik

An international blend with 31 years of leadership expertise. He has embraced an outstanding record for the creation of an IT/AI-driven academic environment to pave the roads for the holistic development of students. Has served with top universities and organizations i.e. TAU-Zambia (Africa), NMIMS-Mumbai and AIMA-Delhi etc. Winner of various national/international accolades i.e. India's most impactful Vice Chancellors Award, the Asia - Africa Development Council's Excellence Award, the Rashtriya Gaurav Award. He also remains a distinguished member of various Councils/Associations of National/International repute.

"The Indian talents today are globally sought after for providing leadership to global business & research organisations"

I welcome and extend my best greetings to each one on behalf of Om Sterling Global University (OSGU), known for its commitment to academic excellence and intellectual capital. I believe that a University must lead by a set of shared beliefs that education is a covenant between educator and the community. We at OSGU are therefore extremely elated of the relationship we have with community.

All contemporary teaching strategies, including differentiated instruction, flip class room and outcome-based education are adopted to meet the unique needs of the students.

India is fast emerging as a knowledge society where universities are real engine to move it. Higher education; further is a significant contributor of national development and growth. The Indian economy is fast moving to find a place among top 3 economies in the world. Thus, the higher education landscape is changing rapidly.

The Indian talents; today are internationally sought after for providing leadership to global business & research organizations. At OSGU, students are engaged in exploring new ideas, debating perpetual questions and solving relevant problems in modern pedagogical environment. Young scholars are seen here confident as pursuing their passions - academic inquiry, athletic endeavor, or artistic expression. Cultivating the full potential in each student requires caring, committed and experienced faculty & staff. The university ensures best memorable experience and understands that every student learns differently hence every student's talent is realized and nurtured uniquely.

We invite you to visit us and experience our passion for excellence and commitment in architecting the rewarding career & knowledge!

Registrar

Prof. (Dr) Vinod Kumar
Ph.D. Mathematics

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” -Malcolm X

It gives me immense pleasure and pride to welcome you to Om Sterling Global University (OSGU) established under the aegis of Om Welfare Society. OSGU was established in March, 2019, with an objective through academic excellence in all spheres of knowledge and trying to produce globally acceptable manpower through internationally benchmarked, academic practices and applied research involving ancient Indian ethos and value system.

Since its foundation in 2019, the OSGU is acclaimed for its outstanding contribution to teaching, research and service in nation building. Today, the University stands to meet the enormous expectations of society. Education contributes to the individual's well being as well as the overall development of the country. Our mission is to improve the standards of education to achieve excellence in higher education and provide high-quality education to our students, as you are the future of this great nation.

We, at the OSGU, continuously aspire to be a breeding ground for positive ideas and emerge as a symbol of openness of thoughts, cultural pluralism and celebrating the unity in the diversity of India. Education is not only an instrument of enhancing efficiency but is also an effective tool for widening and augmenting democratic participation and upgrading the overall quality of individual and societal life.

OSGU caters to the needs of students from across the globe, a homely environment (A Home far from Home) is created for our learners to grow and think. We ensure everyone a healthy, peaceful and engrossing atmosphere at the University campus. I look forward to seeing you at the highest point of your career-formation with the richest possible human values.

So, I invite you to enrich your knowledge through our intellectual resources and experience the outstanding facilities at Om Sterling Global University.

Controller of Examination

Dr. Saurabh Charaya
M.Tech. (CSE)
Ph.D. (CSE), MBA (IT)

The Office of Controller Examinations being the key department and custodian of examination records provides quality service to the students in all spheres of examination matters. The Office of Controller Examinations has a vibrant team, consisting of dedicated professionals committed to extend relentlessly overwhelming facility to all the stake holders.

The prime responsibility of Examination Cell is conduction of all examinations in a fair and systematic manner. We are also determined to develop an examination system where the emphasis should be on inculcating skills rather than testing the memories of students. We undertake the full range of administrative duties associated with the examinations i.e. conducting examinations, Inspection of examinations, processing examination results, preparing transcripts and certificates etc.

In conclusion, we are here to support you throughout your academic journey and make it as smooth as possible. We believe that our students are our greatest asset and the future of our nation. Therefore, we are committed to provide you with quality education and ensure that our examination system is fair and transparent. We wish you all the best for your future endeavours.

Dean Admissions

Om Sterling Global University has remained committed to the pursuit of excellence and its command of academic vitality. Our students are the perfect complement to our esteemed faculty—they are bright, engaged, and wildly talented. Equipped with the shared goals of engaging in superior legal scholarship and training, with the developing of close friendships and professional relationships along the way, our students pride themselves on the reciprocal, dynamic process of learning from one another.

The various Schools at our campus provide a comfortable and lively atmosphere for students, faculty, and administrators alike. We invite you to learn more about our Schools by pursuing our website and, touring our campus, attending classes, talking to our students, and attending one of our admission information sessions. As you complete your application, I encourage you to use this process as an opportunity to learn something about yourself—your strengths, your character, your ideals; you might even surprise yourself!

We look forward to hear from you.

Dr. Sumesh Jain

M.Tech., Ph.D. Civil

Dean Planning & Corporate Relations

A place like no other and the playground for the future managers, scientists, developers, health professionals, media professionals and many more. We are working towards being the leaders and becoming the benchmark platform to impart world-class education, overall development, & placement in industry's leading organizations.

With Projects and Planning perspective, we have a dedicated team looking after the introduction and development of various avenues for the development of the university, associations, training & placements, maintained incubation centres, EDC Cell for the students. We also understand the importance of hosting people from all across the world and providing them with friendly environment supporting the holistic development of students residing & studying in the campus of OSGU. With this, we are looking forward to be your partner & your ladder to success, to impart world-class knowledge by top-rated & award-winning academicians at the place where excellence is not an act but a habit. Wishing everyone well & the very best for a rich & nourishing future & career.

Dr. Ramanjeet Singh

Dean Student Welfare

We believe in developing people managers who uphold the core values of integrity, compassion and respect for others. Om Sterling Global University establishes an environment where holistic learning can take place. Our programs are designed collaboratively with inputs from industry and academia. Our faculties are world class, competent and committed, engaged in extensive research, teaching and consulting. We invite industry professionals on a regular basis to interact with the students and share their knowledge and experience. This enables an excellent blend of theory and practice. Students engage in research projects, consulting assignments etc. to further hone their understanding of the subject. There are multiple opportunities and avenues for co-curricular and extra-curricular activities leading to the holistic development of the individual. We give high importance to student-faculty interaction beyond class room, analytical and integrative thinking through case studies, study tours, internship within India and abroad & field based projects. Special attention is given to sensitize the students to the problems of rural population and the underprivileged section.

Hisar

The Land of Historical Significance

✓ Interesting Fact

Hisar is well known for its steel industry and is therefore also known as "The City of Steel". There is much to see and explore in Hisar. St Thomas Church, built in four years starting from December 1860 to May 1864, is a major attraction.

Hisar previously spelled as Hissar, is a city in the state of Haryana, in northwestern part of India. Hisar was founded as Hissar-e-Firoza by Firoz Shah Tughlaq in 1354 A.D. It is a major centre of higher education and research with three Universities of the State, a number of research institutions, degree colleges, breeding farms and a growing industrial environment. An Army Cantonment located in Hisar enriches its cultural life. Hisar has four Universities; CCSHAU, LUVAS and GJUS&T and OSGU. Stainless steel manufacturing plants (Hisar is known as Steel City), Asia's Largest automobile repair and spare parts market in terms of radius and area are located in Hisar. HARSAC Haryana Space Applications Centre of Department of Science and Technology, Haryana is situated in the Chaudhary Charan Singh, Haryana Agricultural University Campus.

The city has many places to visit like Agroha, Gumbad, Rakhigarhi Mound and Gujri Mahal (Palace) built by Firoz Shah Tughlaq, for his wife Gujri. National Research Centre on Equines (NRCE) Sirsa Road, Hisar - a premier institute for research and development in equine sector, National Institute on pig breeding and research located on Sirsa road and National Institute on buffalo breeding and research located on Sirsa road, are other places for visit. It is situated around 166 km from Delhi on the NH-9 and at a distance of about 230 km from Chandigarh on NH-52. It is well connected with rail and road routes. Om Sterling Global University campus is about 12 km away from city bus terminus and 13 km away from railway station. Hisar Airport is located around 12 km from the University campus. It is 165 km from Indira Gandhi International Airport, New Delhi and 280 km from the Chandigarh Airport.

We've invested
in for the future
So that you can
create yours.

Knowledge Based Campus

The University sprawls over rich 35 acres, our stunning single-site campus is the University's most glorious asset. You'll find anything you need within close walking distance from open spaces, gardens, sports pitches and of course the academic buildings.

Digital Language Lab

The OSGU believes in imparting quality education to its students. A special emphasis is given to improve their communication skills. To achieve this objective a highly sophisticated and ultra modern Digital Language Lab is maintained. Each one receives individual attention. This state of the art facility makes possible unique, effective and satisfying means for the enhancement of the communication skills.

Central Library

OSGU libraries provide access to the best available resources to the students. It has many sections including a main section and has auxiliary sections where large numbers of students can be accommodated at a time. It has an extensive collection of latest books and journals, both in print and electronic form. Our library has separate reading, reference and stacking sections with unmatched quality and quantity of material supplemented by courteous and competent staff for facilitating students. OSGU Library is housed in a centrally located and beautifully designed building, most modern IT infrastructure provide the right ambiance for reading and research in the Library.

Gymnasium Healthcare Centre

The University provides an in-house modern health club and fitness centre where students can train themselves for strength, endurance and flexibility. A healthcare centre managed by OITM with a residential medical doctor is a vital feature of the campus.

**We've
invested
in for the
future.
So that you
can create
yours.**

Hostel & Cafeteria

Hostel in the campus is thoughtfully designed and each air cooled room accommodates two students, well decorated with furniture, mattresses, curtains, designer study table etc. Mess facility, cafeteria, Photostat shop etc. It is catering to the various needs of the students. 100% power backup facility in entire campus.

The University has vigilant Security System to provide round the clock security to all the stake holders.

Campus Life at OSGU

Here, you
matter - no
matter where you've
come from

“
The Canvas of
Possibilities: Paint
Your Story of

Campus Life
”

Creativity & Innovations

The University strives to impart latest knowledge and skills so as to kindle innovation & creativity among students, to establish a culture of research while promoting values, ethics and professionalism, leading to a progressive career in industry & academia globally. The University has state of the art education aids, visual laboratories and competent faculty ensuring effective teaching learning process to meet the ever growing and changing industrial and business environment. The whole learning process is designed in a way so as to continuously challenge the young minds with ideas, to carry out innovative research through interaction with the research organizations & industry and to provide them avenues for recognition by participation in challenging platforms.

E-workshops are conducted by IIT Bombay and IIT Kharagpur under the National Mission on Education through ICT (NMEICT), funded by the Ministry of Human Resources Development, Government of India, for Empowerment of Students and Teachers through Synchronous & Asynchronous Instructions. This project envisions empowerment of teachers, through workshops conducted for thousands of teachers at one go, using a unique blend of technology and an innovative pedagogy. Various workshops conducted at campus are Aakash for Education Main

Workshop, Engineering Thermodynamics Main Workshop, Database Systems Main Workshop, Analog Electronics Main Workshop, Engineering Mechanics Main Workshop, Signal & Systems Main Workshop, Fluid Mechanics, Computer Programming, Computer Networking, and Cyber Security.

OSGU is a Remote Centre of IIT Bombay for CDEEP (Centre for Distance Engineering Education Programme) to Provide quality IIT education to its students through Extended Live Class rooms. In Extended Live Class rooms, the students of OSGU can receive live lectures from IIT Bombay through satellite and can interact live with IIT Bombay instructors during the lectures. The students are also eligible to participate in the Learning Management System (LMS) of IIT Bombay for the course. TCS iON Digital Zone which is located at OSGU campus. It comprises a suite of offerings that supports academic and administrative processes. The TCS iON Exam Process Management Solution addresses three transactional phases : Smooth Enrolment and Registration, Ease of Reports at Pre Examination Stage and Faster Result Generation at Post Examination Stage. The various kinds of online examination such as GATE, UGC NET, PMT, JEE, AIEEE, IIT, AIIMS, IBPS, etc. are held at TCSiON Digital Zone.

OSGU

Academic Pillars

The University strives to develop and promote the best academic scholars to the faculty of various disciplines. It prides itself on having well qualified and experienced faculty members who have a true commitment to their vocation. Academicians from the best institutions around the country have been added to the core group of the teaching faculty of the University. They are the role models, mentors, facilitators and guides for the students of OSGU and engage them in educationally purposeful activities. Faculty Development Programmes, regular interaction of the academic heads with the teachers and the profusion of opportunities to attend and participate in Seminars, Conferences and workshops enable our faculty members to be with a research attitude and updated mindset for academic excellence. Along with the creation and dissemination of knowledge, faculties facilitate their students to have the practical experience through generated know how of applying it in the real life situations. They are well trained to incorporate the technical advancements into the teaching methodology so that learning becomes a pleasurable and productive experience to the students. The meticulously planned academic & research tasks, with variety & novelty, make the continuous evaluation of the academic performance of the students meaningful, effective and exciting. The smart learning imparted, opens new paths for better and novel career opportunities for our students. The teachings inside and outside the classrooms engage the students in productive learning ensuring their success. Our faculty members are committed with teaching professionally along with the dissemination of knowledge and its practical application to groom the students with values and etiquettes. They sow the seeds of novel ideas in the young minds and provide the best environment for the ideas to take right shapes for making their future and career a successful one. The University is proud of these mentors who form the strong pillars in making this University unique in its academic and non academic excellence.

School of Engineering & Technology (SET)

School of Engineering & Technology (SET) has demonstrated its excellence in research, through a combination of strong academic and research activities. All the programs of SET follow semester system. The curricula for Teaching & Learning methods involve not only class room learning but also incorporate practical learning through invited guest lectures, internships, industrial visits, industry based projects and hands on training by professional trainers. SET is a prestigious school of higher learning producing meritorious students with excellent career growth. The students get the best opportunities in the form of highly advanced courses, eminent faculty members, well equipped laboratories, library, hostels and immense facilities to excel in research and innovation.

What we offer ...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B. Tech/ B. Tech (LEET) [Computer Science & Engineering, Computer Science & Engineering (Artificial Intelligence, Cyber Security), Electrical Engineering, Electronics & Communication, Mechanical Engineering, Civil Engineering, Printing & Packaging]	4 years/ 3 years	10+2 examination with Physics, Maths and English as compulsory subjects and one subject from Chemistry/ Biotechnology/ Biology/Technical Vocational / Dip. Engg. & Tech. or B.Sc.
BCA, BCA (Cyber Security/AI & Data Science)	3 years	10+2 or its equivalent
B. Sc. (Computer Science, Textile Design)	3 years	10+2 or its equivalent with Physics, Chemistry & Maths
POST GRADUATE PROGRAMMES		
M. Tech. CSE, EE (Power System), ECE, ME, Civil (Geotech, Structure, Transportation, Construction Management and Environment Science)	2 years	Bachelors Degree of concerned Engg.Branch
MCA	2 years	BCA/B.Sc./B.Com/B.A. with Maths at 10+2 or Graduation level
M. Sc. (Computer Science, Textile Design)	2 years	Bachelors degree in relevant discipline
RESEARCH PROGRAMMES		
Ph.D. (Computer Science, Electrical Engineering, Electronics & Communication Engg., Mechanical Engineering, Civil Engineering)	3 years	Masters in relevant discipline or equivalent degree

Note: Minimum percentage criteria for admission will be as per UGC / Concerned Regulatory Bodies.

Extraordinary Team

Dr. Sunil Kumar

Dean (Engineering & Technology)
M.Tech., Ph.D. (Mechanical Engineering)

The completion of school education brings a student to a crucial juncture in life. Students often find themselves at crossroads of choosing a course for higher studies that has an important bearing on setting the direction of their future career. They are also confronted with the dilemma of selecting the right college so as to translate their dreams into reality.

Also, it is a matter of common knowledge that in this era of international competition, where the entire globe has shrunk into a small village, professional competence of high order is the need of the hour. Spoken English and Communication Skills have to be developed for an integrated personality of our product. Sensitivities of the student clientele have to be appreciated and remedies have to be provided.

I am glad to announce that we at Om Sterling Global University (OSGU) have designed our institutions and their

functions from a student's perspective. The University has state-of-the-art infrastructure facilities - Buildings, Furniture, Equipment, Internet, Libraries, Hostels, Transport, Sports and other supporting services.

Collaboration with international universities is a remarkable initiative.

It gives me immense pleasure in mentioning that OSGU lays due emphasis on extra-mural and extra-curricular activities so as to inculcate competitive spirit among students, enhance their technical skills, sharpen their wit and have their all round personality development. Here students acquire practical skills such as teamwork, leadership and cultural awareness so that OSGU graduates leave the college with more than a degree after their name.

I welcome the prospective students and parents to visit OSGU and see themselves a world-class campus that eagerly awaits brilliant minds.

Future of Jobs & Innovations

Initiative taken by OSGU is as advanced as the guidance and suggestions to AICTE by a research professor

School of Commerce & Management (SCM)

The School of Commerce & Management (SCM) has made a mark in strengthening its thrust areas like Marketing, Finance, Human Resource, International Business, International Accounting & Taxation, Industrial Safety & Management, Supply Chain Management, Hospital Administration, Hotel Management, International Education Assistance and Operations with the latest curriculum.

The faculty enriches the teaching learning process through practical interventions of experienced corporate executives from time to time. Majority of the faculty members are Ph.D.

What we offer...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
BBA	3 Years	10+2 or its equivalent
B.Com	3 Years	10+2 with Commerce or its equivalent
B. Com (Hons.) (International Accounting & Taxation)	3 Years	10+2 with Commerce or its equivalent
POST GRADUATE PROGRAMMES		
M. Com. (Marketing, Finance, HR)	2 Years	B.Com. / B.B.A. / B.B.S. or another equivalent degree with commerce subjects
MBA (Marketing, Finance, HR, IB, Insurance)	2 Years	Bachelors Degree minimum of 3 years
MBA Executive (Supply Chain Mgt., Hospital Administration, Digital Marketing & E-Commerce, Agricultural Business)	2 Years	Bachelors Degree minimum of 3 years
RESEARCH PROGRAMMES		
Ph.D. Management, Commerce	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission will be as per UGC / Concerned Regulatory Bodies.

Extraordinary Team

Dr. Kuldeep Singh

Dean (Commerce & Management)
PGDBM, MBA, Ph.D.

The School of Commerce & Management has been recognized not just for management excellence but also for its contribution and achievement to academia and the industry. Our commitment to deliver world class management education reflects in the design of our academic programs that include innovative pedagogy, industrial internship and interactions combined with co-curricular events.

Today's business world is dynamic than ever before. In this competitive market place, everyone should enhance their skill and knowledge continuously to deal with ever-changing needs of the stakeholder. Management graduates are sought after to bring in new ideas and business practices to empower the business. Considering the business volatility, we adopt wide-ranging instructional methods to introduce students to analytical, critical and innovative thinking patterns to enhance their potential to face the real-world

challenges with the right combination of spirit and skills.

Our dedicated team of faculty members from academics and industry support the students to choose the career path, most suitable to them. The School of Commerce & Management is a place for anyone ambitious about their career where we proactively lead students of all backgrounds on their road to success. Academic discipline, industry experience, and global perspective – this is what we will deliver. You will see these three aspects reflected in our curriculum.

OSGU has crossed many milestones in its journey of academic and professional excellence. The University is dedicated for transforming young students into proficient professionals who would be globally competitive. The School of Commerce & Management has been envisioned to be an institute promoting academic and professional excellence, nurturing and sustaining conducive ambiance for sculpting budding talents into management leaders of tomorrow and inculcating professional ethics, cultural value, sensitivity and sense of service towards society. The institute has achieved commendable progress in attracting and retaining highly qualified faculty, developing high profile academic infrastructure.

School of Performing & Fine Arts (SPF)

The School of Performing & Fine Arts (SPF) is committed to pursuing excellence in Performing, Visual Arts & Fine Arts education along with innovation, creativity and integrity. The unique strength of SPF lies in teaching methodology by involving the students with a high interactive approach. The school's ethos is 'Learning by Doing'. This school has created an environment of academic excellence, stability and flexibility to meet challenges of the twenty-first century. We believe in providing comprehensive education where students are given opportunities to develop their creativity and intellectual competence. Our dedicated and competent faculty members are committed to mentor and motivate the budding Artists to develop in them positive attitude and a passion for lifelong learning to help them face the challenges of the changing world.

What we offer ...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
Bachelor of Fine Arts	4 Years	10+2 or its equivalent
POST GRADUATE PROGRAMMES		
Masters of Fine Arts (Painting, Sculpture, Graphics & Applied)	2 Years	BFA or any equivalent Bachelor Degree with Fine Arts
M.A. Fine Arts (Painting, Sculpture, Graphics & Applied)	2 Years	Bachelors Degree with subjects of Fine Arts or equivalent
RESEARCH PROGRAMMES		
Ph.D. (Fine Arts)	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission will be as per UGC / Concerned Regulatory Bodies.

Career Opportunities

- Graphic Designer
- Visual Effects Supervisor
- Academic Institutions
- Social Media Designer
- Lead Designer
- Design Consultant
- Modeler
- Art Director
- Various Industries

Extraordinary Team

Dr. Beena Dixit

Dean (Performing & Fine Arts)
M.A. (Drawing and Painting), Ph.D. (Fine Arts)

A very warm welcome to the School of Performing & Fine Arts (SPF) at the OM STERLING GLOBAL UNIVERSITY. I want to place the quote of Geoffrey Jellicoe **"Art is to make us know and remember who we are"**. It has been an irreplaceable part of our exquisite cultural heritage.

Our aim is to partner with nation building mission in the frontier of creativity and innovation towards making our country an endearing home to the people. SPF is in a unique position to offer a comprehensive range of educational and research programmes related to the Performing Arts & Visual Arts, including key disciplines of Fine Arts.

You will be able to get more detailed information on various programmes at the website of the University.

Divyansh

When I discovered the Performing and Fine Arts programme at OSGU, Hisar, I was immediately attracted to the concept of "How and Why art evolved from ancient cave painting to modern day exhibits". We at OSGU closely learn the different waves and movements of the world of Performing and Fine Arts.

Department of Pharmaceutical Sciences (DPS)

Pharmaceutical sciences are a significant section of the medicine. The Department of Pharmaceutical Sciences under Om Sterling Global University, Hisar, Haryana is one of the best places in India that offers programmes in this field. It is with the study of pharmaceutical sciences that the medicine in the country is progressing. This school believes in contributing the man power required for such growth to keep going.

Expert faculty who are experienced in the field oversee these programmes. Being a part of one of the best pharmaceutical sciences colleges in Haryana, the students are benefitted with an all over development, both professional and personal. Other necessary skills such as communication skills and confidence are also boosted with the help of extra-curricular activities.

School of Pharmaceutical Sciences (SPS)

The School of Pharmaceutical Sciences (SPS) focuses on dealing with the chemistry/action of drugs and their use in preparation of medicines. It also includes the study of diseases and choices of treatments used to cure them.

The school prepares and grooms the budding pharmacists to take up the challenges at various positions available in India as well as abroad in various pharmaceutical companies, government organizations like FDA- India, Drug Control, Research & Development Laboratories, etc. and in several well known academic institutions.

What we offer ...

Discipline	Duration	Eligibility
DIPLOMA PROGRAMMES		
D. Pharmacy	2 Years	10+2 or its equivalent with Physics, Chemistry & Biology/ Mathematics
UNDER GRADUATE PROGRAMMES		
B. Pharmacy	4 Years	10+2 or its equivalent with Physics, Chemistry & Biology/ Mathematics
B. Pharmacy (LEET)	3 Years	D. Pharmacy or its equivalent
POST GRADUATE PROGRAMMES		
M. Pharm. (Pharmaceutics, Pharm. Chemistry)	2 Years	B. Pharm. from PCI Approved Institute
M. Sc. Pharmaceutical Chemistry	2 Years	B.Sc. in relevant discipline
RESEARCH PROGRAMMES		
Ph.D. Pharmaceutical Sciences	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Key Highlights

- We motivate our students to explore new ideas and apply them in their own way which build up confidence among them.
- Students will be trained to know about Pharmacy strategies in an efficient manner.
- Well equipped labs with essential equipments used in research and pharmaceutical companies.
- Students are made to enhance and master knowledge in pharmacy, develop scientific reasoning abilities, understand

the complexity and ambiguity of empirical work, develop practical skills, understand the nature of pharmacy, and to cultivate interest in pharmacy with passion.

- Highly dedicated and eminent faculty from reputed Universities and Institutions.
- Focus on application of theoretical knowledge in pharmacy to understand its importance improves the managerial skills and critical thinking.

Extraordinary Team

Dr. Deepa Khanna

Dean (Dept. of Pharmaceutical Sciences)
M.Pharm., Ph.D. (Pharmaceutical Sciences)

Pharmacy is a dynamic, growing, versatile and diverse profession, which creates an excitement because there are so many opportunities. It is ages old profession which eventually has transformed into "Global Health Care" & evolved as a multi staged care settings in Pharmaceutical industry (R & D, Manufacturing, Quality control, Packaging,

Quality Assurance, etc.), in practices (hospital & community i.e, retail pharmacy), in academics, regulatory affairs & clinical research (CROs). Pharmacists work in a wide variety of Environment & atmosphere. In OSGU Students are trained to convert innovative ideas into attainable & practical models to meet the growing demand of pharmaceutical industry. Our outstanding team and students have always contributed in glorious years of OSGU family. I heartily welcome all the students into our family and wish them a positive phase of learning and healthy career in pharmacy.

Dr. Hitesh Kumar

Dean (Pharmaceutical Sciences)
M.Pharm., Ph.D. (Pharmacy), M.B.A., PDCR

Pharmacy is one of the most respected and noble professions. Pharmacists play an important role in a variety of settings including Hospitals, Pharmaceutical Teaching, Community Pharmacies, Nuclear Pharmacy and Clinical Trials in addition to Pharmaceutical Industry. Pharmaceutical field is evolving day by day and contributing more and more to the well being of the society.

Right from inception we have the vision of catering to the needs of industry and society at large in terms of the human resource by introducing the pertinent educational courses. The efforts are focused to address and meet the expectations of each student and to transform them from a fledgling college student into a Professional Graduate having strong knowledge and strong technical skills for a bright

career in the dynamic and exciting profession of Pharmacy.

Our faculty is a blend of academicians and experienced professionals who enable students in synergizing with the corporate world. Every staff member is committed to develop strong relationship with all our students. It is our endeavor to mingle the traditional methods with the modern developments to retain balance; futuristic vision and global standards. At School of Pharmaceutical Sciences, you will find a lively, engaged, responsive community of students, faculty and staff. You will learn new concepts, unlearn few, widen your horizons, apply your minds, explore your talents and take up social responsibility to improve the healthcare system and ultimately become ethical professional and responsible citizen. So my dear students utilize your wonderful college days to create a solid foundation of knowledge, to be technically competent professional and healthcare provider to serve the nation. Here wishing you a very happy and healthy career in Pharmacy.

School of Health Sciences (SHS)

The School of Health Sciences (SHS) has been successfully running Diploma, Undergraduate & Postgraduate programs keeping in view the recent advancement in the health situations of the world.

The department follows the latest prescribed curriculum at par with the International standards and in accordance with the needs of the industry.

What we offer ...

Discipline	Duration	Eligibility
DIPLOMA PROGRAMMES		
DHA	3 Years	10th or equivalent
Diploma Radiology & Imaging Technology, OT & Anaesthesia Technology, Optometry, Medical Lab Technology, Physician Assistant	3 Years	10th or equivalent
Diploma (LEET) Radiology & Imaging Technology, OT & Anaesthesia Technology, Optometry, Medical Lab Technology, Physician Assistant	2 Years	10+2 in PCB from a recognized board
UNDER GRADUATE PROGRAMMES		
B. Sc. / B.Sc. (LEET) Radiology & Imaging Technology, OT & Anaesthesia Technology, Optometry, Medical Lab Technology, Physician Assistant	3+1 Years / 2+1 Years	10+2 in PCB from a recognized board 3 years Diploma in relevant discipline after matric or 2 years Diploma in relevant discipline after 10+2
B.Sc. Nutrition & Dietetics, Public Health	3 Years	10+2 in PCB from a recognized board
Bachelor of Public Health	3 Year	10+2 in PCB from a recognized board
Bachelor of Physiotherapy (BPT)	4+½ Year	10+2 in PCB from a recognized board
POST GRADUATE PROGRAMMES		
M. Sc. Radiology & Imaging Technology, OT & Anaesthesia Technology, Optometry, Medical Lab Technology, Physician Assistant	2 Years	Passed B.Sc. Paramedical in concerned branch from any UGC recognized University.
Master of Physiotherapy (MPT)	2 Years	Bachelors in Physiotherapy or its equivalent
Master of Public Health (MPH)	2 Years	Bachelor's degree in Public Health/MBBS/BSc Nursing /B. Pharm /BDS or equivalent from a recognized university
Master of Hospital Administration (MHA)	2 Years	Bachelor's degree in Medical/BPT/BSc Nursing /B. Pharm / B.Sc. in Allied Health Sciences from a recognized university
RESEARCH PROGRAMMES		
Ph.D. Paramedical (Optometry, Medical Lab Technology), Public Health, Nutrition & Dietetics	3 Years	Masters in relevant Discipline or equivalent Degree

Note : 1. Industrial Training as per University norms for Bachelor students.

2. Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Extraordinary Team

Dr. Sunena

Dean (School of Health Sciences)
M. Pharm., Ph.D. (Pharmaceutical Sciences),
PG Diploma in Patent Law

At Om Sterling Global University, we are highly committed to provide practical based world-class education. In order to carry out this vision, our School of Health Sciences offers an excellent range of paramedical courses that are recognized across the world. All our Paramedical courses are just as useful and job oriented as the courses directly related to the field of healthcare. Apart from teaching assignments and expert interactions, our students are highly encouraged not only to participate but also to organize various health camps, national and international seminars, conferences along with other students. Being the second year of OSGU operation, our training and placement activities has already begun and our students are ready to enter the health sector for summer internship as well as for their placement. I, feel proud and with immense pleasure, offer all the aspirants to come and visit our campus as well as school of paramedical sciences to take admissions as it is an emerging field to opt for as career option for the students who are looking forward to step in paramedical field.

Puneet

The kind of exposure that we are getting in OSGU is unmatched. We have access to a vast availability of medical resources and journals. I am very fortunate to meet amazing tutors and guides who are supportive & dedicated.

School of Agriculture (SAG)

School of Agriculture (SAG) at OSGU, has launched new programs to develop the new technologies in agriculture.

Wide experience of the faculty helps to train the students in developing fresh methods of cultivation in crops and foods as well as production of dairy products.

What we offer ...

Discipline	Duration	Eligibility
DIPLOMA PROGRAMMES		
Diploma in Agriculture	1 Year	10th from a recognized board with min. 50% Marks • 3 years experience in agriculture or 10+2
UNDER GRADUATE PROGRAMMES		
B. Sc. (Hons.) Agriculture	4 Years	10+2 examination with PCB/ PCM /PCMB/Agriculture
B. Sc. (Forestry, Fisheries, Horticulture, Dairy Technology)	4 Years	10+2 examination with PCB/ PCM /PCMB/Agriculture
POST GRADUATE PROGRAMMES		
M. Sc. Agriculture (Agronomy, Genetics & Plant Breeding, Horticulture, Agricultural Economics, Plant Pathology, Soil Science & Agriculture Chemistry)	2 Years	Bachelors Degree in Agriculture or its equivalent with relevant subject
RESEARCH PROGRAMMES		
Ph.D. Agriculture	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Key Highlights

- Students are exposed to real life rural settings to develop a sense of awareness regarding the problems of farmers and rural population, and inculcate a professional attitude in handling real-life issues/problems.
- Live projects & demonstrations in the areas of crop production, nursery raising, organic farming, floriculture, vegetable crop production, medicinal plants, orchard management and ornamental horticulture etc help to inculcate passion towards the subject.

Extraordinary Team

Dr. Pavitra B V

Dean (School of Agriculture)
M.Sc. (Agri.), Ph.D. (Agriculture Microbiology)

I convey my warm greetings and wishes to all my students and colleagues. OSGU campus and community are eager to receive our new group of graduate students from various places of India in school of agriculture.

We have made our university tie-up with many agricultural organizations and industries where students are made to visit to grasp the technical knowledge for their easy future placements. Students learn not only academics but with many more extracurricular activities by conducting many cultural and motivational programmes for bringing up their talents.

I am deeply grateful for the presence and guidance of an outstanding group of faculty and staff, who have worked tirelessly and have ensured that you will excel in your learning at agriculture.

 **Dimpi Devi**

There is nothing more important than feeding the world Admission in Agricultural Sciences at OSGU is my wise decision. State of the art academic facilities and resources fascinated me. With everything from modern labs in Botany, endo, microbiology, agronomy, green house to farms we are well equipped to experiment.

School of Yoga & Naturopathy (SYN)

The School of Yoga & Naturopathy (SYN) is conducting various programs in the field of yoga. There are various job opportunities both in private and public sectors.

The school is also conducting many activities for promotion, propagation and research in yoga. The philosophy of Yoga is practical and applicable in our day-to-day life. The most common benefit of yogic practice is the sense of well-being at all levels of existence.

What we offer ...

Discipline	Duration	Eligibility
DIPLOMA PROGRAMMES		
Diploma in Yoga & Naturopathy	1 Year	10+2 or its equivalent
UNDER GRADUATE PROGRAMMES		
B. Sc. Yoga & Naturopathy	3 Years	10+2 or its equivalent
POST GRADUATE PROGRAMMES		
PG Diploma Yoga Science & Therapy	1 Year	Bachelor's degree in any discipline or any other examination recognized as equivalent
M.A. Yoga	2 Years	Bachelor's degree in any discipline or any other examination recognized as equivalent
M.Sc. Yoga Science & Therapy	2 Years	Bachelor's degree in any discipline or any other examination recognized as equivalent
RESEARCH PROGRAMMES		
Ph.D. Yoga & Naturopathy	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Key Highlights

- We foster a system of interactive Yoga and Naturopathy education where students are highly encouraged to get exposure about the field by participating in various National and International Quizzes, Contests and other exhibiting programs related to yoga and naturopathy.
- The diverse pool of faculty members carry with them the rich academic heritage inherited from their respective elite institutions of the country. This amalgam of faculties polishes their learners to make them shining stars and scholars in their respective professional fields.

Extraordinary Team

Dr. N.P. Giri

Dean (School of Yoga & Naturopathy)
C.Y.Ed., B.Y.Ed., Ph.D. (Life Sciences)

All of us are fully aware that in our society most of the people are suffering from anxiety, stress and strain, an age of hurry, worry and burry and as a result mental ill health has become a serious problem. The deteriorating standard of health, fitness and resistance of present-day enormous ills is increasing day by day. We are aware of the present scenario of the world wherein violence, cruelty, socio-economic imbalances, intolerance, meanness, apathy towards the sufferings of fellow beings etc. is seen. So, in this situation the knowledge and courses of Yoga and Naturopathy run by OM Sterling Global University is welcomed by all and will prove to be very effective in circulating the message of Yoga and Naturopathy to the general public. The demand of yoga experts having a degree of yoga courses (UG/PG) is increasing day by day in India as well as in abroad. In this university proper attention and higher education and knowledge of Yoga & Naturopathy is given.

School of Applied Sciences (SAS)

The School of Applied Sciences (SAS) is one of the leading School of the University in terms of research and teaching, comprising various major departments such as physics, chemistry, mathematics and computer sciences.

The School has well developed computing facilities and well - equipped laboratories. Academic staff is highly qualified and many are nationally and internationally acknowledged for their contribution to applied sciences.

What we offer...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B. Sc. (Medical)	3 Years	10+2 or its equivalent with Physics, Chemistry & Biology
B. Sc. (Non-Medical)	3 Years	10+2 or its equivalent with Physics, Chemistry & Maths
B. Sc. (Forensic Science, Food Technology)	3 Years	10+2 or its equivalent with Physics, Chemistry & Biology or Biotechnology or maths
B.Sc. (Hons.) (Microbiology)	3 Years	10+2 or its equivalent with Physics, Chemistry & Biology
POST GRADUATE PROGRAMMES		
M. Sc. (Physics, Chemistry, Mathematics, Botany, Microbiology, Zoology, Environmental Science, Forensic Science, Food Technology)	2 Years	Bachelors Degree in Science with relevant subjects
RESEARCH PROGRAMMES		
Ph.D. (Physics, Chemistry, Mathematics, Botany, Microbiology, Zoology, Environmental Science, Forensic Science, Food Technology, Biochemistry, Home Science, Statistics, Biotechnology)	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission is as per UGC / Concerned Regulatory Bodies norms.

Extraordinary Team

Dr. Renu Sharma

Dean (Applied Sciences)
M.Sc., Ph.D. (Chemistry)

Welcome all students...

There are lot of universities and colleges running around us and abroad. Firstly, I am personally thankful to you for choosing us, and secondly I ensure you that the faith and belief you have shown in us and the responsibilities you put on our shoulder, will certainly be executed with complete dedication and moral and ethical values.

Of course, it is the tough time throughout the world regarding employment and employability; but nothing is impossible and possibilities just require self-confidence and self-belief.

We will together can turn impossible to possible.

A well-known phrase is "Action speaks louder than words... but results speak more loudly than action".

We together will create new history and mile stone in the field of education, innovation, research and entrepreneurship.

School of Social Sciences & Humanities (SSH)

School of Social Sciences & Humanities (SSH) has been established with a vision to integrate human values and social concerns with technical education among the students.

The school encompasses teaching and research programmes in the area of English, Hindi, Library & Information Sciences and others.

What we offer...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B. A.	3 Years	10+2 or its equivalent
B. Lib. & Info. Science	1 Year	Bachelors Degree or its equivalent
POST GRADUATE PROGRAMMES		
M. Lib. & Info. Science	1 year	B.Lib. or its equivalent
M. A. (Education, Sociology, Political Science, History, Geography, Economics, English, Hindi)	2 Years	Graduation in relevant discipline
RESEARCH PROGRAMMES		
Ph.D. (Library & Information Science, Education, Sociology, Psychology, Political Science, History, Geography, Economics, English, Hindi, Sanskrit, Public Adm.)	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission is as per UGC / Concerned Regulatory Bodies norms.

Extraordinary Team

Dr. Sunil Kumar Baidya

Dean (School of Social Sciences & Humanities)
M.Sc., Ph.D. (Geography)

Arts and humanities define who we are as people. It's the power of this very school that it relates us to our real life, our heritage and culture. The streams of the school acquaint us with ourselves and our surroundings, thus making us complete. The incorporation of the school is indispensable in education at all levels since it stimulates the harmonious all round development of the learners making them competent leaders of tomorrow. Its subjects have the power to remind us of what we each have to offer, and what we all have in common. We can't deny the importance of the subjects like History, Geography, Sociology, English, Hindi, Political Science,which are the integral parts of our civilization and help us understand our history, analyze and improve our present, and imagine our future.

The calling of the Social Sciences and Humanities is to make us truly human and social in the best sense of the word. – J. Irwin Miller

When I ruminate on the above quote, I comprehend the profound impact of the School of Social Sciences and Humanities (SSH) which unlocks our thinking blocks, opens our eyes, expands the horizon of our insight, and strengthens our conscience, while instigating us to accept boldly without impediments, and give without reluctance.

At OSGU, the school provides all the vital academic programs and creates powerful learning environment to transform students into strong individuals, ready to leave their imprints on the world. The school unanimously heads towards attaining this goal by incessantly challenging the students intellect instilling faith and the capacity to learn, giving them practical experience and cultivating their spiritual development. Our teachers motivate an independent and innovative thinking. Such an environment not only sharpens the creation of the individual intelligence, but also facilitates an extensive sensitivity towards the world and a capacity to appreciate the social functioning of the world they inhabit.

Social Sciences and Humanities teach us who we are and what we can be. They lie at the very core of the culture and civilization of which we are a part.

School of Legal Studies (SLS)

The School of Legal Studies (SLS) attracts bright students who aspire meaningfully contribute to the legal profession.

The nation needs competent practitioners of law, ensuring the public access to justice. For in-depth research facilities include, a Learning Resource Centre, a well-stocked library and e-library facilities for journals and articles in digital form. The faculty encourages students to have spirited discussions and to contribute debates in classrooms, common rooms, and moot court.

What we offer...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B.A. LL.B	5 Years	10+2 or its equivalent
POST GRADUATE PROGRAMMES		
LL.B (Professional)	3 Years	Bachelors Degree of 3 years or its equivalent
LL. M (Criminal Law, Human Rights, Intellectual Property Rights, Constitutional & Administrative Law, Corporate & Financial Law, Labour & Industrial Law)	2 Years	LL.B.
RESEARCH PROGRAMMES		
Ph.D. Law	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission will be as per UGC / Concerned Regulatory Bodies.

Key Highlights

- School of Legal Studies understands and values the importance of Quality Education in shaping the future of our Nation and therefore is determined to create an environment where the academic excellence flourishes to its fullest.
- A University should be a reflection of the society where it is situated. School of Legal Studies understands and acknowledges its social responsibility and therefore endeavors to take measures that can benefit society as a whole.
- To create a cleaner and safer environment for all is one of the most important aspects of the core philosophy of the School of Legal Studies.
- In order to maximize the involvement and participation of its staff and students, follows a policy of functional transparency in its operations.
- Gender bias remains as one of the gross root problems that has time and again hampered India's progress. School of Legal Studies, OSGU, Hisar is therefore determined to give its due contribution in eliminating Gender bias from India.

Extraordinary Team

Prof. Ramanjeet Singh

Dean, SLS
M.Com., MBA, LL.B., LL.M., Ph.D.

You may get a lot of Universities around you but OSGU is one of the best universities within your reach. Firstly, I am personally thankful to you for choosing us, and secondly I ensure you that the faith and belief you have shown in us and the responsibilities you put on our shoulder, will certainly be executed with complete dedication with moral and ethical values.

Of course, it is the tough time throughout the world regarding employment and employability, but nothing is impossible; it is within our reach. I can assure all students that we will not leave any stone unturned in achieving your target.

We can together turn all impossible to possible.

The school of legal studies has been planned to evolve as a world class system with highly qualified faculty, well equipped library, meticulously designed e-learning system

and latest learning methods based on best ideas of design and discovery and user interface technologies. The academic programme is backed with moot court trainings, legal-aid programmes, court visits, internships, workshops and guest lectures by specialists of multi-disciplinary fields. The dynamics of our legal education programme is comparable to the best of the legal education standards of the world.

A well-known phrase is "Action speaks louder than words... but results speak more loudly than action".

We together will create new history and mile stone in the field of education, innovation, research and entrepreneurship.

School of Hospitality Management (SHM)

In today's era of globalization, hospitality industry is indeed assuming greater significance and is fast developing into a lucrative career provider. Today a training course in hospitality management encompasses training in various aspects of the business of hotel related industry, travel and tourism related industry and housekeeping and catering in Hospitality industry (including customer care executives).

OSGU School of Hospitality Management grooms students through industry endorsed curriculum and intensive service oriented practical training with industry exposure in excellent infrastructure.

What we offer ...

Discipline	Duration	Eligibility
DIPLOMA PROGRAMMES		
Hotel Management	3 Years	10th or its equivalent
UNDER GRADUATE PROGRAMMES		
B.H.M.	4 Years	10+2 or its equivalent
B.Sc. - Hotel Management	3 Years	10+2 or its equivalent
POST GRADUATE PROGRAMMES		
M.Sc. - Hotel Management	2 Years	Bachelors in relevant Discipline or equivalent Degree
Masters in Tourism Management (MTM)	2 Years	Bachelors in relevant Discipline or equivalent Degree
RESEARCH PROGRAMMES		
Ph. D. Hotel Management	3 Years	Masters in relevant Discipline or equivalent Degree

Note : 1. Industrial Training as per University norms for Bachelor students. 2. Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Key Highlights

- School of Hospitality Management has state of art Labs, Equipments, Library.
- School of Hospitality Management is committed to provide quality education and prepare professional students for various departments of hotel like Food Production, Food & Beverage Service, Housekeeping and Front Office Department.
- School of Hospitality Management has a well qualified staff.
- School of Hospitality Management provides industrial exposure to their students as per course curriculum
- School of Hotel Management organizes various food events based on the theme on timely basis.
- School of Hospitality Management has a well structure evaluations system to find potential within the various groups of students.

Extraordinary Team

Dr. Rajiv Kumar

Dean (Hospitality Management)
MHM, Ph.D. (Travel & Tourism)

The choice of a career is one of the most important decisions a person can make in his/her life.

Studying hospitality management should neither be a chance nor a trend or fashion. One must have a will, an ambition and a passion for this field. Hospitality Management is now a major area of academic study, research and publishing.

School of Hospitality & Management (SHM), OSGU has been a pillar in the hospitality industry and an invaluable talent resource, as well as a beacon of hope for many aspiring students. SHM is one of the most esteemed and well-known hospitality management institutions in India. This is due to its four core elements: Our cutting-edge programs that are dynamic, our state-of-the-art infrastructure, our faculty members that are extremely professional and experienced and certainly our talented students who are our future ambassadors in the hospitality industry worldwide.

The objective of SHM is to nurture all-round individual development to contribute to the advancement and betterment of the hospitality industry within the country and abroad.

As the world evolves and the industry with it, we need to evolve our curricular in order to maintain that delicate balance between education, industry, and students. Students need to be prepared to meet industry demands. At the same time, our industry needs graduates and post graduates who can lead and drive innovation and growth.

We want our students to develop their academic knowledge but most importantly their cultural and ethical values and the respect for others. At the SHM, we prepare our students to be life-long learners, innovators, and professionals capable of being the next new generations of leaders in their careers, committed to personal integrity and civic responsibility. It is now our pleasure to show you how we are fulfilling this mission.

The SHM offers a dynamic, vibrant and motivated teaching and learning environment with committed staff that have substantial industry experience, high-level teaching abilities and academic strength. In addition to various forms of classroom learning, significant emphasis is also placed on industry engagement and training, site visits and case studies, as well as other relevant industry activities.

We encourage our students to develop a positive, motivated, enthusiastic and forward looking attitude. They are expected to participate in extra-curricular activities and to cultivate their awareness of social responsibilities. We also believe that an international perspective with understanding of different cultures will strongly contribute to students' development and future career potential.

I embrace this responsibility and will devote all my time and energy for preparing and educating those who will lead us in the future.

School of Journalism & Mass Communication (SJM)

School of Journalism & Mass Communication (SJM) at Om Sterling Global University is committed to produce the new age media experts and journalists with its curricula combining theory and practical exposure in print, electronic & new age media.

The curriculum revolves around the overall development of a media student to provide knowledge from print to publish, draft to script, an idea to design digital communication and much more.

What we offer ...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B.A. Journalism & Mass Communication	3 Years	10+2 or its equivalent
POST GRADUATE PROGRAMMES		
PG Diploma Journalism & Mass Communication	1 Year	Bachelors Degree of 3 Years or its equivalent
M.A. Journalism & Mass Communication	2 Years	Bachelors Degree of 3 Years or its equivalent
RESEARCH PROGRAMMES		
Ph. D. Journalism & Mass Communication	3 Years	Masters in relevant Discipline or equivalent Degree

Note: Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Key Highlights

- The key concepts, issues and debates that relate to journalism, media and communication in a global context are used always to cater the needs of local world.
- The school of media and mass communication uses a range of critical approaches to understand news, news technologies and news stories
- We believe and admit the role of media in communicating information globally. Hence all the practices are adopted that matches the international standards.
- The school organizes debates about the role of the media in the formation of collective identity, especially across nations regularly in order to update itself with the contemporary changes.
- The dynamics and context of global news flows and foreign and transnational news coverage
- The conditions are always provided to our students to find out the impact of technology and the Internet on the practice of journalism in different regions of the world.

Bhavyavani 90.0 FM is providing a platform for students of journalism

The community radio station (Bhavyavani) established in the Department of Journalism and Mass Communication of OSGU was inaugurated on 4th December 2022 by Mr. Anurag Singh Thakur, Minister of Information and Broadcasting and Youth Affairs and Sports, Government of India. On this occasion, along with Chancellor Dr. Puneet Goyal and Pro Chancellor Dr. Poonam Goyal, Lok Sabha MP from Hisar, Brijendra Singh and Urban Local Bodies Minister, Dr. Kamal Gupta were also present. During the event, Mr. Thakur's congratulatory message was recorded and aired on 'Bhavyavani'. Bhavyavani 90.0 FM can be heard in the area of 20 to 25 kms around OSGU. The tagline of Bhavyavani is 'Driving the Reality'. Along with providing practical exposure to the students of journalism, Bhavyavani 90.0 FM, also provides a platform to the students to enhance their talent

during the course. Experts and celebrities from different fields participated in the programs aired on Bhavyavani. TV studios have also been set up in the journalism department, where students are given complete information about electronic media included in the syllabus. News bulletins are given from the TV studios by the students of the journalism department. The department provides numerous Diploma, Graduation and PhD programmes. From time to time, the Department of Journalism and Mass Communication organizes placement of students in various newspapers and news channels.

BREAKING NEWS

School of Vocational Studies (SVS)

B.Voc/M.Voc Programme has been designed by the UGC as per National Skill Qualification Framework (NSQF) of Ministry of Skill Development emphasizing on skill based education in consultation with National Skills Development Corporation (NSDC). The programme focuses on skill development based higher education leading to Bachelor of Vocational (B.Voc.) /Master of vocational (M.Voc.) degree with multiple entry and exit points. Its objective is to provide judicious mix of skills relating to a profession and appropriate content of general education, so that they are ready to work at each exit point of the programme.

What we offer...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B.Voc. In Sectors shown in table below	3 Years	10+2 OR 10th plus (2 Years or 3 Years) Diploma OR 10th plus I.T.I. (2 Years) with one language subject (Hindi or English)

Extraordinary Team

Dr. Saurabh Charaya

Dean, (School of Vocational Studies)
MTech. (CSE), Ph.D. (CSE), MBA (IT)

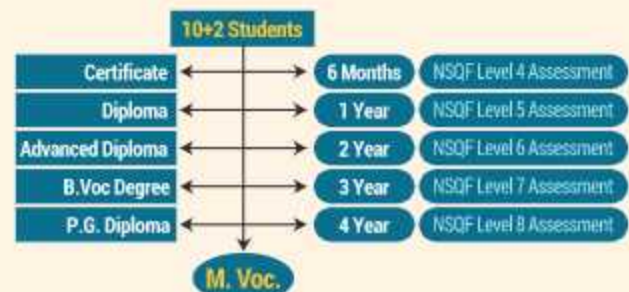

It gives me immense pleasure to welcome you to School of Vocational Studies, an exciting place to learn and grow. Om Sterling Global University is creating lifelong learning opportunities for the learners. Creating platforms for employability bridge courses and vocational career paths are the key factors to meet the priorities of economy of the region. This University will focus on meeting the skill demands of the State in the current and emerging areas of various sectors such as paramedical, textile, automobile, solar energy, IT, healthcare, construction, banking & finance, management, hospitality, agriculture, etc.

Bridging the gap between industry and academia is a major challenge in this country and bridging this gap is possible only by intense industry-academia interaction, training the youth with the tools and technologies of Industry and creating a mind-set of innovation and entrepreneurship. In today's world Vocational Courses are the most important and powerful tool for youth from under-served sections of society. Vocational Education can provide

necessary knowledge, skills and values that allow a person to become a high-income earner as well as human being with ethical values. Our curriculum has provision for internship and project-based learning at the end of each semester which focuses on skill development, entrepreneurship and innovation and creating industry-ready professionals. We have collaboration with many industries around the country and keep ourselves engaged with them to evolve our curriculum as per industry requirements. Our aim is to produce future-ready professionals who can start working productively on the instant they join the industry.

With us, you can build a successful professional career. I welcome students to OSGU and wish them an enriching skills learning experience.

Multiple Entry - Multiple Exit

School of Teacher Education (STE)

The School of Teacher Education was established with a view to provide quality inputs in education as a liberal discipline and Teacher Education in particular to pre-service teacher and development of academic output in education and special education.

The department has been conducting researches in the area of Teaching & Learning, Teacher Education, Education of Learners with Diverse needs and Elementary education etc.

What we offer...

Discipline	Duration	Eligibility
UNDER GRADUATE PROGRAMMES		
B.Ed. Special Education (Hearing Impairment, Visual Impairment, Intellectual Disability, Learning Disability, Multiple Disability)	2 Years	Bachelors Degree and/or in the Masters degree in Sciences/ Social Sciences/ Humanities, Bachelor's in Engineering or Technology with specialization in Science and Mathematics with 55 % marks or any other qualification equivalent. The reservation and relaxation for SC/ST/OBC/PWD and other categories shall be as per the rules of the Central Government/ State Government,
POST GRADUATE PROGRAMMES		
M. Phil. (Rehabilitation Psychology)	2 Years	M.A/M.Sc in Psychology with 55% marks General Category, For SC/ST category 50% marks from UGC Recognised Institute/University.
PGDRP (Post Graduate Diploma in Rehabilitation Psychology)	1 Year	Bachelor Degree (Regular Mode), general psychology courses in all the three years or Master's Degree in any branch of psychology or either in regular or distance mode or Master's degree in counselling psychology with minimum 55% marks. For SC/ST/OBC category, minimum of 50% marks in aggregate is essential.

Note: Minimum percentage criteria for admission as per UGC / Concerned Regulatory Bodies norms.

Key Highlights

- Practical hands on training- Systematic and rigorous practical training to the candidates through which they are exposed to the field of rehabilitation and special needs.
- Resourceful labs- The resource room and labs are well equipped with state of the art training items like Braille slates, canes, abacus, auditory machines, group hearing aids, 3D models etc.
- Build in infrastructure- The infrastructure of the school is built and equipped especially for special of need children and PwD. The well ventilated large classrooms and the library allows students to study with zeal and concentration.
- Qualified faculty- The classes are taken by well qualified professors who have completed their PhD and M.Ed in special education from reputed educational institutes of the country.
- Placements- STE provides rewarding career as special educator, counselor, tutor, content writer, researcher, rehabilitation psychologist, social worker etc in both private and government sectors.

Extraordinary Team

Dr. Jitender Mishra

Dean (School of Teacher Education)
Ph.D.

OSGU's department of special education under School of Teacher Education provides Rehabilitation Council of India (RCI) approved courses to young and enthusiastic students who want to excel in the field of rehabilitation and disability. RCI being the top most Statutory Body, along with RPwD Act is maintaining the holistic quality of life for the PwDs. During the course work the students are exposed to the field of rehabilitation and special needs through rigorous training. The department offers numerous courses in B.Ed Special Education (Visual impairment, Hearing Impairment, Learning Disability, Intellectual Disability, Multiple Disability), D.Ed Special Education (Visual impairment, Hearing Impairment), M.Phil Rehabilitation Psychology and Post Graduate Diploma in Rehabilitation Psychology (PGDRP) along with practical and mobility training in the laboratories and resource rooms which provides the foundation for becoming world class counselors, vocational counselors, clinicians, special educators, mobility trainers, social workers, behavior analysts etc in government sector

and private universities to educate children with intellectual disabilities, learning disabilities, speech and language impairments, autism spectrum disorders, emotional and behavioral disorders, cerebral palsy, sensory impairments and any condition that affects optimal education.

Top 5 reasons to get a Special Education Degree:

- Highly demanding job profile in India and abroad.
- Receive Great Pay and Benefits.
- Can apply in leading government and private organizations/hospitals.
- Many Career Paths.
- Offers a Lifetime of Learning.

Prof. (Dr) Sanjeev Sharma
Dean Research
 Ph.D. (Applied Sciences)

Research at **OSGU**

Research is a creative and systematic work undertaken to increase the stock of knowledge, including comprehensive information of humans, culture and society, and the use of this stock of knowledge is to devise new applications.

Research is an area of paramount importance to Om Sterling Global University (OSGU). The university is taking meticulous and meaningful steps to build reservoirs of intellectual wealth and academic excellence. In the process, OSGU has created some of the country's best schools across several diverse streams.

To nurture and promote research activities of global standards is one of the main focus of OSGU. To facilitate and contribute to research in all disciplines, thereby improving yield in terms of grants, research innovation, intellectual property and publications.

The main objectives are to identify latest research priorities, new industry collaborations, initiate related programmes and to seek research grants and foster focused research of national importance.

We offer M. Phil. and Ph. D programs in various disciplines such as Computer Science & Engineering, Electronics & Communication Engineering, Mechanical Engineering, Civil Engineering, Electrical Engineering, Management, Commerce, Architecture & Planning, Fine Arts, Para-Medical Sciences, Nursing, Pharmaceutical Sciences, Law Studies, Physics, Mathematics, Chemistry, Botany, Agriculture, Zoology, Microbiology, Biochemistry, Yoga & Naturopathy, English, Hindi, Sanskrit, Sociology, Education and Library & Info Science.

These research programmes are framed according to standards set by UGC for Awards of M. Phil. / Ph. D Degree, under the guidance of highly qualified and widely recognized faculty in their respective fields.

**A Single Thought
 Can Change The World**

Entrepreneurship Development Cell

EDC EMPRESARIO

The Career Ladder

Distinct Cell of OSGU

Activities

Idea Diffusion

Get a creative and fun loving audience; ask them for online startup ideas; people interested in the same idea can interact and form team; 1 hour preparation time for chalking out the implementation; 3-minute pitches to pick out the best ideas. (not necessarily an on-spot event only.)

Mentoring

Get mentors (entrepreneurs / investors/ industry professionals) for the best teams to help them make a Minimum Viable Product (MVP). This can even later be transformed into a course.

Case Studies

Students can team up and analyze other startups and make case studies/case lets about them which can also be used as a resource for other students. A good way to start off would be to profile startups run by alumni.

Summer in a Startup

Start an internship program which connects students to startups as summer interns.

Start a Venture

If possible start a venture on campus to get first hand experience of starting up. If that might seem a little difficult, one/more groups can do a pilot run to get a better idea of how real life micro business work.

Objectives of EDC

- To fulfill our ultimate responsibility towards our nation by supporting "Start-up India", "Make in India" and such other initiatives as lay by government time to time.
- To encourage students for considering self-employment as a career option.
- To provide training in entrepreneurship through various courses and increase the relevance of management particularly in the non-corporate and under managed sectors.
- To create an environment for self-employment and entrepreneurship development through formal and non-formal programmes.
- To utilize the infrastructure facilities and technically trained manpower for the development of non-corporate and unorganized sectors.

- ✓ 10 Lac PA+ pay packages
- ✓ Providing placement & Internship assistance to students

Corporate Resource Centre (CRC)

Academic institutions pursue relationships with Corporations to fulfill a variety of goals and interests. CRC is one of the facilitating units, which engages with the industries as well as the Govt. agencies in order to constantly strive for expanding the industry-academia interface. It also gathers information through close interactions with the industries, regarding the knowledge and skills requirements, and advises the faculties to incorporate them to prepare our students to become more employable, equipped with market ready skills. It bears testimony to the fact that the teaching-learning pedagogy is in sync with the industry.

Being a primary tool, it facilitates the students to branch out of their classrooms and explore and experiment the classroom learning by keeping up with the latest trends and providing the latest information. Students can be facilitated in direction of finding best opportunities like Trainings, Summer Internships, Projects, National & International collaborations, Professional Events and eventually the Employment Support.

OSGU has a separate Training & Placement Department which constantly works to invite companies from various sectors to explore the placement opportunities for the deserving students. The T&P department remains

actively involved in the entire selection process. The department provides trainings to the students to foster professional values and work ethics along with grooming the personality and communication skill.

The Industrial Projects taken by the students as the integral part of the study during Internships helps the students to practice the class learning in real situation. To compete with the current competitive environment, students can be benefitted by Training sessions and group session concerning career choice, infusing interviews skills and Group Discussion skills and preparing resumes. As a fact, many of the students get employment in the same organization.

The department holds Industrial Visits which provides the ideal opportunity for the students to understand the real functioning of the industry and get exposed to different work cultures. The CR team keeps liaison with the various academia & corporate establishments and acts as an interface between students, academia and corporate world through constant meetings, workshops and placement opportunities.

CRC Department also supports to see feasibility in Collaborations and bilateral tie-ups with Foreign Universities and Institutes across the globe for various courses at UG and PG Level and strive to provide a platform to the students to study culture consciousness abroad.

Personality Development Cell

Soft Skill Training

Mr. Neeraj Taneja
Soft Skills Trainer

"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice", Brian Herbert (Author).

OSGU's soft skill training and personality development department's goal is to prepare and present, well-structured and carefully designed training, which will assist professionals of all levels to unlock and discover their potential to grow.

The department aims to cause a basic awareness about the significance of soft skills in professional and inter-personal communications and facilitate an all-round development of personality.

Technical skills help securing a basic position in one's life and career. But only soft skills can ensure a person to retain it, climb further, reach a pinnacle, achieve excellence, and derive fulfilment and supreme joy.

Soft skills comprise pleasant and appealing personality traits as self-confidence, positive attitude, emotional intelligence, social grace, flexibility, friendliness and effective communication skills.

Soft skill trainings are to groom the students for their goal setting, self actualization and Inter-personal skills, presentation skills and aiming to excellence etc.

Brand Creates Brands

Ms. Himani Khokha
Brand Marketing Manager

Whether we realize it or not, we are constantly exposed to brands and their messaging, shaping our preferences and decisions. By focusing on branding, we can harness the power of branding to create a strong and authentic personal or corporate identity. It is just as we dress to impress, branding enables us to make a memorable and compelling impression on others, leaving a lasting impact on their perceptions and influencing their decisions. OSGU is a well-crafted educational brand that reflects values and strengths that attract opportunities, build trust, and enhance overall reputation. Branding is that we can effectively communicate who we are, what we stand for, and why others should align themselves with our vision. By leveraging digital platforms and social media, osgu is reaching a wider audience and engaging with a large group of students. Moreover, building a strong alumni network and leveraging their success stories can enhance the institution's brand and inspire prospective students to join the educational community. Ultimately, branding our positivism empowers us to leave a lasting impact on the world around us, and that's what we as OSGU'ians seek.

UNIQUE COLLABORATION

TCS iON Centre

OSGU enters into strategic collaboration with Tata Consultancy Services' (TCS') iON Digital Zone Solutions are designed to help educational institutions manage their campuses efficiently and with greater success. TCS iON is a strategic transformation partner to OSGU, and has helped them re-imagine educational processes leveraging the iON Education Solutions suite.

As per the collaboration, TCS iON Digital Zone Solution offers a digital approach for end-to-end university management. This cloud-based solution enables 360-degree institutional excellence by automating governance and compliance processes. The solution not only ensures student excellence

through learning analytics but also contributes to faculty excellence through continuous knowledge augmentation. It also provides a collaborative platform for industry and research to drive academic excellence.

TCS iON Digital Zone is located at OSGU campus. It comprises a suite of offerings that supports academic and administrative processes. The TCS iON Exam Process Management Solution addresses three transactional phases: Smooth Enrolment and Registration, Ease of Reports at Pre Examination Stage and Faster Result Generation at Post Examination Stage. The various kinds of online examination such as GATE, UGC NET, PMT, JEE, AIEEE, IIT, AIIMS, IBPS, etc. are held at TCS iON Digital Zone. Computing facility of about 1000 computers is available for students with internet connectivity, which is also used for on-line examination. Wireless connectivity is also provided in the campus and hostel.

Remote Center Of

IIT's

for

NMEICT and CDEEP

OSGU is a Remote Centre of IIT Bombay for NMEICT (National Mission on Education through ICT). Teachers need to constantly upgrade themselves and learn about advances in their domain, and to understand the best practices for facilitating best possible learning. IIT Bombay, through a decade long makes efforts in using Technology to offer high quality training/ orientation programs for teachers. Various workshops & Faculty Development Programs are being conducted at OSGU.

The T10kT project (supported by National Mission on Education through ICT) at IIT Bombay, permits thousands of teachers to benefit from each of these programs. Use of online and blended approach allows participants to complete a significant part of training online, thus reducing the time which must be spent on face-to-face synchronous interaction.

A Teaching Learning Centre (TLC) has been setup at IIT Bombay under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching. Our Faculty Development Programs (FDPs), approved by AICTE are now conducted under the aegis of this scheme.

OSGU is a regional Remote Centre of IIT Bombay for CDEEP (Centre for Distance Engineering Education Programme) to Provide quality IIT education to its students through Extended Live Class rooms. In Extended Live Class rooms, the students of OSGU can receive live lectures from IIT Bombay through satellite and can interact live with the instructors during the lectures. The students are also eligible to participate in the Learning Management System (LMS) of IIT Bombay for the course.

General Admission Guidelines

1. Admission of students shall be made strictly on the basis of merit adjudged through CUET/JEE/CLAT/GATE/CMAT/CAT/OSGU CET and others or on the basis of merit based on qualifying examination.
2. The OSGU Entrance Examination will be held online at University or other such places as notified by the University.
3. Admissions to the various programs of studies will be made by the Admission Committee of the concerned Department comprising of the Dean/HOD as Chairman, and two members nominated by the Vice Chancellor.
4. The syllabi, format, duration, scheme of evaluation of the entrance examination will be as decided by the University.
5. Minimum qualifications for admission to the programs in various Departments have been prescribed and are available in information brochure as well as on University website.
6. Only such candidates who have passed a qualifying examination from an Indian University/ Board established or recognized by State/Central Government or such other examination as has been recognized equivalent by State/Central Government/ University shall be considered for admission.
7. The University shall follow reservation policy prescribed by the State Government for private universities for admissions.
8. If, at any time, it is discovered that a candidate has provided a false or incorrect information or has used fraudulent means for securing admission, her/his admission shall be cancelled.
9. The students shall deposit fees as prescribed by the University, on or before the date fixed by the University.
10. Commencement of Semester normally starts from First week of August every year.
11. For admission enquiry, the students may contact to the University Admission Office, OM Sterling Global University, NH-52, Hisar-Chandigarh Road – 125001 or at the tab "Quick Enquiry" on University Website: www.osgu.ac.in
12. The student would be liable for necessary action as deemed fit by the University for any wrong/false/incomplete/fraud information filled in the application form by him/her and his/her admission shall be cancelled and all fees and other dues paid by him/her will be forfeited. The University may also take further strict action as deemed fit against such candidates.
13. A student shall also be eligible for admission to any program of study of this University on migration from any other University or Board if she/he has passed an examination equivalent to the examination of this University prescribed by the Ordinances for admission to the concerned program of this University: For transfer of credits please refer to Ordinance (Transfer of Credits) of the University available on the website.

The name of those students shall be struck off from the rolls of the University immediately thereafter. However, such students may be re-admitted with the approval of the Registrar after they deposit Rs. 5500/- as re-admission charges.

Admission Procedure

RULES & GENERAL INSTRUCTIONS

The prospectus-cum-admission form can be obtained from the Administrative Office of the University on payment of Rs. 1000/- (US\$ 25 in case of NRI/Foreign Nationals). The Admission Form can also be downloaded from the website of University. However, such candidates will have to pay Rs. 1000/- with the downloaded Admission Form.

Important Instructions for Filling up the Admission Form

The Admission Form for seeking admission to any course, duly completed in all respects, must be accompanied with the following documents:

- a) A recent passport size photograph duly pasted at the space provided on the Admission Form with five additional copies to be attached with the form.
- b) Self attested copies of Matriculation /Secondary, Senior Secondary School Certificate, Graduation or a Certificate of its equivalent examination from a recognized board/university showing the candidate's date of birth.
- c) Self attested copies of the certificates of having passed/appeared in the qualifying examination from the recognized University/ College/School/ Institution last attended.
- d) Character Certificate reporting on the Interpersonal / Social Behavioural pattern of the applicant issued by the School/College/ Institution last attended by the candidate.
- e) Certificate of SC/ST/OBC/PWD/ESM for statistical information or for getting the benefit of relaxation in age or marks in the qualifying examination or for reservation of seat, wherever applicable.
- f) Original Migration Certificate from the Board/University last attended (to be submitted at the time of admission or within 15 days from the date of admission).
- g) Self attested copy of aadhar card.
- h) Certificate of Haryana resident for claiming seat under reserved category for Haryana resident.
- i) The Students claiming SC / ST / OBC / Disability Scholarship under the relevant scheme of the Government should apply on line. This will be sole responsibility of student to apply/verify from concerned department and upload application on respective portal.
- j) Original medical certificate.

Note: The candidate should intimate, the result of the

qualifying examination and the result of JEE (Main)/CMAT/MAT/GATE (in the case of admission to B.Tech/MBA/M.Tech. course respectively) immediately on its declaration, if not already submitted.

Documents to be brought at the time of Counseling:

After submission of the Admission Form, the candidates are required to report for Counseling and Admission at the University campus with the following original certificates to the course concerned. For the date & time of counseling, the students are advised to contact help desk: 86078-99999, 82550-99999 and also visit the university website: www.osgu.ac.in

- a) Original Matric Certificate (as proof of date of birth).
- b) Original Marks sheets/Certificates of having passed the qualifying examination on the basis of which the candidate claims for admission.
- c) JEE (Main) Rank Card/GATE/MAT/CMAT Score for admission to B.Tech, M.Tech & MBA respectively.
- d) Character Certificate reporting on the Interpersonal/Social Behavioural pattern of the applicant issued by the University/College /School/Institution last attended by the candidate.
- e) Original Migration Certificate from the Board/University (To be submitted at the time of counseling or within 15 days from the date of admission).
- f) Undertakings against ragging by students and their parents to be submitted at the time of Counseling (Format available at University Website).
- g) Original Aadhar Card
- h) One set of self attested photocopies of the above documents except Migration Certificate.

Note: Other Important Instructions for admission:

- 1) Admission Forms which are incomplete or received late, are liable to be rejected.
- 2) A candidate, who does not report for the Counseling in person on the date of Counseling shall lead to forfeit of his/her seat.
- 3) The fee is to be deposited at the time of Counseling.
- 4) There will be no rounding of percentage of marks for determining the eligibility for admission to various courses.
- 5) The admission to B.Tech/M.Tech/MBA will be made on the basis of merit of JEE(Main)/GATE/MAT/ CAT/ CMAT qualifying examinations/common entrance test conducted by OSGU, as the case may be.

- 6) In case two or more candidates in merit list have equal percentage of marks, the marks obtained in the next lower of the qualifying examination will be taken into consideration for determining the merit. In case there is still a tie, the candidate senior in age will be given preference.
- 7) The candidate possessing the qualification of qualifying examination from any Foreign University/Board, should submit equivalence certificate of their qualifying examination from Association of Indian Universities (AIU), New Delhi.
- 8) NRI seats will be filled up only from bonafide NRIs and their children/wards, and the candidate seeking admission against NRI seats are not required to submit JEE (Main) / GATE / MAT / CAT / CMAT score card for admission to B.Tech., M.Tech. and MBA courses respectively.
- 9) If a student fails to attend his / her classes continuously for seven days from the date of commencement of the classes or from the date of admission (in case admission has been made after the commencement of the classes) his/her admission shall be cancelled without any further notice.
- 10) The Admission Form received late will not be considered. The University/Institute will not be responsible for delay or loss of Admission Form or Correspondence pertaining thereto, in postal transit or through courier services.
- 11) Candidate should specify the name of the course(s) to which the Admission is sought on the envelope.
- 12) For details for fee structure, please visit our website : www.osgu.ac.in
- 13) Scholarships are awarded to deserving candidates as per the Haryana Government and University rules.
- 14) All legal disputes are subjective to Hisar Jurisdiction only.

* Refund will be made strictly as per the UGC, Regulatory Authorities, Govt. Norms.

Attendance Rules

It is obligatory on the part of HOD/Teacher concerned to announce attendance position of each student at the end of every month in the classes. The students, who are falling short of attendance, are advised to improve their attendance position. However, the students are also advised to get their attendance noted from their concerned HOD/Teachers at the end of every month to avoid their total shortage of attendance at the end of the semester.

1. Every student should get at least 75% attendance in aggregate in all subjects at the end of each semester/year to be eligible to appear in university examinations.
2. Deficiency up to 10% can be condoned by Dean/HOD in severe cases on compensatory ground/medical cases i.e students with 65% or above attendance can

be eligible to appear in the semester exam if 10% deficiency is condoned by the worthy VC.

3. The student having attendance below 65% are liable to be detained.
4. Detained student will have to repeat the respective academic subjects/semester/year in the next academic session by paying fee/due etc. as applicable.

NOTE

However, the Parents/Guardians of students are also requested to keep close watch on the attendance position of their son/daughter/ward by enquiring from the concerned Head of Department. No further notice shall be issued in this regard.

Ragging an Offence

RAGGING IS A GRIEVOUS OFFENCE

As per the orders of the Hon'ble Supreme Court, UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009 and The Haryana Prohibition of Ragging in Educational Institutions Ordinance, 2012. Ragging is a non-bailable offence.

More instructions for Curbing Ragging is available at University website: www.osgu.ac.in

Health Check-ups & Blood Donation Camp

Aware the Society 'Vote for the Best'

As the youths of this country aspire for a better life, as millions of them enter higher education institutions as first generation learners, they get exposed to a new world of ideas. In addition to learning about the subjects they have chosen to study, higher education must inculcate in them a sense of social responsibility. There is a growing interest in social responsibility of the corporations among academicians and practitioners. Companies now are not only expected to be responsible to their shareholders but to society in general. Universities, as the centers of knowledge generation and sharing, play a very important role in solving world's problems by ensuring a sustainable tomorrow. There is a growing interest in social responsibility of the corporations among academicians and practitioners. It was expected that education would contribute solutions to these problems to some extent. However, in spite of enhanced investment on expenditure, leading to increased enrolment, these issues remain largely unattended. Filling this missing link Om Sterling Global University, has attempted in integrating advanced knowledge and skills with larger social concerns.

University Social Responsibility **USR**

Blood Donation Camp

What Visitor's Say

Mr. Anurag Thakur

Minister of Youth Affairs and Sports of India

I am pleased to handover the degrees to the students during first convocation ceremony. Youth is the longest stake holder, and educated youth will lead India.

Mr. Brijendra Singh

Member of the Lok Sabha, Hisar

Congratulations to all the students, faculty and management of the Om Sterling Global University, Hisar, on their first convocation. May the university grow and excel in times to come.

Dr. Kiran Bedi

Former Governor Puducherry & Social Activist

The university has been designed meticulously and has the potential to be the best. Providing training to prisoner for bringing them into the main frame is commendable.

Prof. (Dr.) MP Poonia

Vice Chairman
AICTE, New Delhi

Visited the university on 25th of June 2022 to inaugurate the national conference. "The ambience culture, discipline and spark exist in all OSGU family. Hope it will be a very important destination for students in time to come. The leadership is visionary, god bless the team, best wishes".

Dr. R.K Chauhan

Former Secretary
UGC

Visited the University during FDP Program. The University has come up very well. The prompt planning will definitely make the institution of national level. I wish the institution all well in future.

Ms. Andrea Kucerova

Deputy Head
Embassy of the Czech Republic

I would like to express many thanks to the Om Sterling Global University for hosting the examinations, felt the spirit of Bahmas city. I congratulate the University for successful examinations of architecture. Wishing all students of the University success in their studies & professional life.

Mr. D.K. Sharma

Chairman, BBMB
(Bakhta Beas Management Board)

Wonderful to visit Om Sterling Global University. Academic environment is excellent and great service to society being done by the University in this area. Good luck for excellent future

Mr. Jagdeep S. Chhokar

Former Director
IIM, Ahmedabad

I visited the University in connection with a conference on, Strategic Issues in Contemporary Management. The infrastructure and facilities are very good. They have ambitious expansion plans. I wish them all the best.

The Great Khali

Indian professional wrestler

Today I have interacted with the students of OGSU. These young buddies are very sharp and energetic. I wish OGSU and their students have a great future ahead.

Mr. Anup Soni

Indian Actor &
Anchor (Saawadhan India)

It is my pleasure to be here at OGSU, huge campus, lovely peaceful atmosphere. Perfect place for studies. Good Luck.

Mr. Geshe Lhakdor

Distinguished Buddhist Scholar

Thank you for inviting. I appreciate your endeavours to inculcate values in the life of the students. Ethics are like air that we breathe without which we cannot survive.

Mr. Tarun Nehra

Tata Consultancy Services (TCS)
Mumbai

Nice Campus & Very Committed Staff, I caught the good way to go.

Diversity at **OSGU**

NO BORDERS NO LIMITS **UNIVERSITY** FOR ALL!

Joutho Faria
B.Pharm. 4th Sem., Bangladesh

The faculty here is just extraordinary.

Dimpy Devi
B. Sc. Agriculture, Assam

I love the extraordinary environment here, both inside and outside the classroom.

Junaidu Zainab
BCA, Nigeria (Africa)

Learning by doing approach is a great advantage here.

Meraj Nadaf
DHA, Nepal

The multi-cultural university environment is a great advantage.

TARIRO SAUNGWEME
B. Pharmacy, ZIMBABWE (AFRICA)

Infrastructure, facilities and the support services at OSGU are fantastic.

Education complemented by infrastructure is way ahead of its time.

Rahul Nain
B.Sc. Yoga & Naturopathy

Everyone here is welcoming, positive and collaborative.

Malvika MR, B. Sc.
Agriculture, Kerala

OSGU is truly a Home away from Home.

Your talent. Our academic power.

Choose Hull if you want a university that will give you the teaching, facilities, opportunities, ambition and inspiration to succeed.

We've got a longer track record than most

It is a proud fact that we are making our presence felt in the education sector for the last 12 years. Our presence has enriched not only us but also the student fraternity of a very wide area. The expertise gained and its dissemination on the one hand with state-of-art educom classes, hi-tech labs, LCDs projectors and on the other the traditional class room set up has carved a niche for us.

We've been recognised for our academic impact

OSGU has earned its name in the top ranking universities of the country. Getting this ranking in a span of a decade and couple of years is a remarkable achievement and this is reflected in our curriculum and teaching. You are taught here by the experts who are publishing their research papers and books continuously, who are patenting often, they are those who are hosting conferences, seminars of national and international level. They are editors of magazines and journals they host their own Youtube channels and present T.V. and Radio Shows.

We've changed the world and won awards

Our students and our faculty won prizes on a regular basis. Weather it is sports or it is academics our students are creating waves in the education arena. Our teacher of paramedical sciences prepared a hand sanitizer long back in November 2019. Our teachers motivated our students to venture in renewable energy resources and a group of our students prepared a flourmill powered by solar energy and many such innovative projects are the part of day to day practical exposure of our students. We push our students to think out of the box so that they can contribute to the society by their innovations.

We deliver teaching that works

Our vision and mission is totally based upon the utilitarian approach of education. Our curriculum is based on latest demand of the market and our faculty keeping pace with the evolving technology teaches industry demanded skills and courses. Our students are let free to participate and lead in the classroom activities so that their learning level should be beyond the common lecture and presentation methods.

Eminent Personality at OSGU

Information & Broadcasting and Youth Affairs & Sports Minister, GOI, Sh. Anurag Thakur at OSGU convocation
