ABOUT OSGU, HISAR

Om Sterling Global University was established in March, 2019 and is dedicated to achieve its vision, mission and objectives through academic excellence in all areas of knowledge and skills. The university is spread over 30 acres of fully-developed institutional land with a lush green campus, modern infrastructure and excellent academic atmosphere. Inspired by its vision and mission, the campus has been designed and developed with great sense of aesthetics to provide eco-friendly environment and ambience to provide comfort and zeal for learning. As a temple of education, the University aims at producing world class academicians, researchers and leaders in diverse fields by embedding high moral values in its students, commitment to excellence, and enthusiasm for continuous intellectual development.

ABOUT CONFERENCE

The conference will discuss under its purview a number of emerging themes in environment and society. It is a humble attempt to understand the importance of environmental and social issues and to further scope of work on the subject by the researchers. The current environmental agenda, including the questions associated with climate change, is related to the question of sustainable management of water. Forest, land use, wildlife and technology use has been a consistent theme in environmental history of India, and the proposed conference will incorporate all the major issues related to this critical theme.
