

## Dr. PUNIT GOYAL

Chancellor, OSGU, Hisar

Dear all

I feel triumphant to extend my heartiest welcome to all our guests, attendees and participants in the rejoicing event of the **38<sup>th</sup> AIU Inter-University North-West Zone Youth Festival**. This year **Om Sterling Global University, Hisar** has been given the honor and privilege of hosting this wonderful event.

The youth festivals have acclaimed grand recognition and admiration for their outstanding and exuberating display of wide range of talent hidden in the youth. Such festivals offer pruning to the students who are gifted with various talents and they can showcase the vibrancy and affinity of their cultural heritage as well.

Apart from providing the platform for the exhibition of talent, the youth festivals also opportune the students of various universities to form comradeship. They gain benefit by enhancing their skills and knowledge through interaction. The competitive nature of this festival not only provides positive encouragement but also opens numerous opportunities for the students to excel in their fields and reach the heights.

The bonds of friendship that builds in the duration of festival lasts long and a warm and healthy collaboration stays in the hearts of all the participants forever. It is a wonderful combination of learning and recreation which imbibe empathetic and jubilant energy in the surroundings.

We at Om Sterling Global University look forward to provide excellent environment and ample facilities for the comfort of all our guests and on the behalf of our dedicated team I welcome all to be a part of this loved festival and create memories of lifetime by engaging and participating in this amazingly lit event.

I am filled with deepest gratitude to the Organizing Committee who has put the souls into it to ensure the intact arrangement and dedicatedly worked to make this Youth Festival an inspiring and unforgettable event.

Let's celebrate the congregation of art and culture at OSGU this year.

With warm regards
