MESSAGE

Greetings from AIU!

Youth Festivals serve as a vibrant platform for the expression of creativity, talent and innovation among our young minds. It is a time when the energy and enthusiasm of the youth take center stage, showcasing the incredible potential that resides within each of you. This festival is not merely an event; it is a testament to the vitality and dynamism that characterize our young student's community. AIU has been annually organizing the Inter-University Youth Festivals (UNIFEST's) at the zonal and national levels, where a large number of youth artists from member universities and affiliated colleges participate.

It provides an opportunity to celebrate this diversity, fostering a sense of unity and understanding among students from various backgrounds. The festival offers a stage for the artists to showcase their skills, encouraging a culture of appreciation and support for one another's unique abilities.

This year, the AIU 38th AIU Inter-University North West Zone Youth Festival was bagged by the **Om Sterling Global University**, Haryana. I encourage every one of the participants to actively participate in the Youth Festival. Embrace the spirit of collaboration, support your fellow students, and take pride in being part of a community that values creativity, diversity and growth.

I send herewith my congratulations to the Vice Chancellor, and best wishes to Staff, Volunteers of the Host University and participants from the North West Zone universities. I wish you all a joyful and successful Youth Festival!
