OM STERLING GLOBAL UNIVERSITY,
NH-52, Hisar-Chandigarh Road, Hisar 125001

ABOUT OSGU, HISAR

Om Sterling Global University, established under the Haryana Private Universities Act 2006 and promoted by Om Welfare Society, is dedicated to achieving academic excellence in all areas of knowledge and skills. The University spread over 50 acres of institutional land, boasts a lush green campus with modern infrastructure and an excellent academic atmosphere. Inspired by its vision and mission, the campus provides an eco-friendly environment for learning. The university aims to produce world-class professionals, researchers, academicians and leaders by instilling high moral values, commitment to excellence, and a passion for intellectual development in its students.

AL-TAQWA UNIVERSITY, AFGHANISTAN

Founded in 2012, Al-Taqwa University is a private higher education institution situated in Jalalabad, Afghanistan and holds recognition from the Afghan Ministry of Higher Education Operating as a co-educational establishment., it grants bachelor's and master's degrees across various fields of study. Al-Taqwa University ensures the provision of both academic and non-academic amenities and services to students, including administrative support. Additionally, the university has entered into a Memorandum of Understanding (MoU) with Om Sterling Global University in India.

About Conference

School of Commerce and Management, School of Engineering and Technology, School of Hospitality Management, School of Social Sciences and Humanities and School of Legal Studies, Om Sterling Global University welcomes you to the International Conference on “Inclusive Growth & Sustainable Development through Collaborative Research: Towards Vikshit Bharat @2047” on 25th and 26th April, 2026 at Om Sterling Global University, Hisar.

Conference Objectives

The conference aims to foster a platform for multidisciplinary collaboration that advances inclusive growth and sustainable development in alignment with India's vision for Vikshit Bharat @2047. It seeks to bring together researchers, academicians, industry experts, policymakers and practitioners to exchange innovative ideas and promote evidence-based policy formulation. The objectives include encouraging sustainable research practices, promoting inter-institutional partnerships, driving technological innovation for societal benefit, and addressing key economic, environmental and social challenges. Furthermore, the conference emphasizes skill development, responsible business practices, and community engagement, while highlighting the importance of inclusive policymaking and capacity-building across diverse sectors. Ultimately, it aspires to support India's transformation into a developed nation by empowering knowledge-sharing, nurturing innovation, and advancing socio-economic equity through collaborative research initiatives.

The major themes for the conference will be:

1. Sustainable Business Practices & Economic Inclusive

- Green entrepreneurship and ESG compliance
