The School of Architecture and Fine Arts (SAF) is committed to pursuing excellence in Architecture and Planning education along with innovation, creativity and integrity. The unique strength of SAF lies in teaching methodology by involving the students with a high interactive approach. The school's ethos is 'Learning by Doing'. This school has created an environment of academic excellence, stability and flexibility to meet challenges of the twenty-first century. We believe in providing a comprehensive education where students are given opportunities to develop their creativity and intellectual competence. Our dedicated and competent faculty members are committed to mentor and motivate the budding Architects to develop in them positive attitude and a passion for lifelong learning to help them face the challenges of changing world.
