EXCELLENCE IS NOT AN ACT
BUT A HABIT AT OSGU!

About Om Sterling Global University Hisar

Om Sterling Global University, declared as state private university under Haryana Private Universities Act-2006 and approved by UGC under section 2(f) of UGC Act, 1956 dedicates itself to achieve its vision, mission and objectives through academic excellence in all spheres of knowledge. The University is spread over 30 acres of fully-developed institutional land, has a lush green campus with modern infrastructure and excellent academic atmosphere. In line with its vision and mission, the campus has been designed and developed with great sense of aesthetics to provide eco-friendly environment and ambience to stimulate hunger for learning. As a

temple of education, this University aims at producing world class academicians and leaders in all spheres of life by embedding in its students high moral values, commitment to excellence, and zeal for incessant pursuit of knowledge.

Vision

To create a special identity in pursuit of higher academic excellence with focus on holistic human development. It aspires to evolve as one of the best private self-financing multi-faculty universities fully focused on producing globally acceptable manpower through internationally benchmarked academic practices and applied research invoking ancient Indian ethos and value system.

Mission

- To create state-of-the-art infrastructure specially well-equipped labs to ensure skill oriented learning in a pleasing environment.
- To engage qualified and industry experienced faculty members fully capable of mentoring young ignited minds, evolving as per needs of the time.
- To develop curricula with right mix of knowledge, skills, attitude and behavior fully aligned with the world of work.
- To disseminate knowledge leading to technology transfer for the benefit of society.
- To create vibrating network with industry, academia, society and the governments for sustainable development.
- To contribute effectively in job creation with focus on promoting entrepreneurship through schemes like Make in India, Startup India, Digital India etc.

Core Values

Built on the Vision that education serves as a keystone in improving society and building better future for all, we are committed to our Core Values of:

- Excellence
- Ethics in Work and Behavior
- Dignity
- Diversity
- Student focus - Adventure, Creativity and Open- Mindedness
- Collaboration and Public Engagement
- Passion and Determination
- Humbleness

Our mission is to create leaders, winners and achievers in the competitive scenario. Leaders who inspire a vision, winners who set positive paradigms of action and achievers who have the will and the strength to make a difference in the global society.

International Edge

OSGU has always believed in making its programmes/curricula truly global. In a unique collaborative effort with some of the best Universities in the world. Students of OSGU will be taught and trained by some of the most reputed faculty members from India and abroad. Our tie-up with some reputed Universities overseas will provide a unique opportunity to our students to avail of the facilities of Students Exchange Program, Twinning Program, etc.

CENTRAL LIBRARY

The central library of the campus is air cooled and fully computerized with a seating capacity of 250 readers. The collection comprises Books, CD's, Videos, Thesis, Standards and Back Volumes in all Campus Libraries. An extensive collection of more than 30000 books, including regular periodicals, journals are available. Digital library section is the heart of central library. Book Bank facility is also available for the students.

COMPUTING & INTERNET FACILITIES

OSGU is equipped with sophisticated computer labs with about 1000 high quality machines. Facilities like printers and scanners are provided. High speed Internet facility is available with dedicated 1:1 bandwidth from different ISPs.

CLASSROOMS / STUDIOS

The spacious, amphitheatre style classrooms provide the most conducive atmosphere for focused study and discussions. Classrooms are augmented with integrated audiovisual teaching aids for lectures, presentations etc.

CENTRAL WORKSHOP

A basic training in central workshops is well equipped to satisfy the degree requirement for engineering students during their first & second semester. The college workshop also undertakes repair and maintenance work of all the departments. The facilities for the fabrication of projects and other research and development activities are being provided in the workshop.

CONFERENCE ROOMS AND AUDITORIUM

OSGU provides state-of-the-art conference halls in each department and auditorium that acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events.

CAFETERIA

OSGU has an excellent double storey Cafeteria with indoor as well as outdoor seating. A healthy mind can only reside in a healthy body. Hence, the cafeteria has menus that are designed by a team of professional dieticians, and offer nutritious and wholesome food to ensure a well-balanced diet.

HEALTHCARE FACILITIES

In order to ensure student's well-being, OSGU has tie-ups with renowned hospitals to take care of any kind of emergency. OSGU has a well-equipped infirmary for the first-aid and minor medical services.

HOSTEL

Hostels in OSGU are like a home-away-from-home! The hostel rooms are well ventilated and adequately furnished.

GYMNASIUM

In order to ensure a sound body and mind, maintain your regime of health and fitness. A modern gym, with all the latest gadgets can help you achieve your goals.

“

The curriculum revolves around the overall development of a media student to provide knowledge from print to publish, draft to script, an idea to design and much more.

A Single Thought Can Change The World

Research is a creative and systematic work undertaken to increase the stock of knowledge, including comprehensive information of humans, culture and society, and the use of this stock of knowledge to devise new applications.

Research is an area of paramount importance to Om Sterling Global University (OSGU). The university is taking meticulous and meaningful steps to build reservoirs of intellectual wealth and academic excellence. In the process, OSGU has created some of the country's best schools across several diverse streams like engineering, pharmacy, nursing, hotel management, humanities, science, architecture and design, yoga and naturopathy, law, paramedical sciences, agriculture etc.

To nurture and promote research activities of global standards is one the main focus of OSGU. To facilitate and contribute to research in all disciplines, thereby improving yield in terms of grants, research innovation, intellectual property and publications.

The main objectives are to identify latest research priorities, new industry collaborations, initiate related programmes and to seek research grants and foster focused research of national importance.

We offer **M. Phil.** and **Ph. D** programs in various disciplines such as **Computer Science & Engineering, Electronics & Communication Engineering, Mechanical Engineering, Civil Engineering, Electrical Engineering, Management, Commerce, Architecture & Planning, Fine Arts, Para-Medical Sciences, Nursing, Pharmaceutical Sciences, Law Studies, Physics, Mathematics, Chemistry, Botany, Agriculture, Zoology, Microbiology, Biochemistry, Yoga & Naturopathy, English, Hindi, Sanskrit, Sociology, Education and Library & Info Science.**

These research programmes are framed according to standards set by UGC new Regulations, 2016 for Awards of **M. Phil. / Ph. D** Degree, under the guidance of highly qualified and widely recognized faculty in their respective fields.

Why study at OSGU?

1

Locality

Situated in the heart of Hisar and complemented by the historical significance of the city our University boasts of an ideal location with purpose-built and industry-standard facilities.

2

Infrastructure

The University campus sprawls over lush 35 acres with several departmental buildings and administrative blocks presenting spectacular harmony in architecture and natural beauty. The lush green campus provides the perfect ambience and atmosphere for learning.

3

Employability

OSGU is a partner in various Industries-Academia Programmes of reputed companies with a focus on industry needs, all graduating students will be prepared to enter the world of work, through university's campus recruitment a Training & Personality Development Programmes. Dedicated Training & Placement Cell provide much-needed skills

4

Support

We welcome students to a supportive and friendly learning environment, where 1:1 personal support and advice is just a step away. Dedicated academic support staff, Student support advisors and Career Advisers are very helpful throughout your journey at the University.

5

Excellence

Rated Gold as the Educationist Excellence by the India Awards, our various departments provide an education with the highest quality teaching, disciplined work culture, learning, and outcomes, which means we offer an effective learning experience, leading to the very best level of achievement.

6

Curriculum

The curriculum contains content beyond syllabus for learning latest technological trends..... Continuous Assessment of students, Regular Teacher-Guardian Interaction and Career Counseling are regular features.

7

Rewards

OSGU is committed towards its social responsibility. Scholarships are offered to meritorious students. Additional benefits and facilities are provided to needy students.

8

Stay

On campus air cooled separate Boys & girls hostel facilities with ultra-modern gymnasium, library and 24 x 7 internet connectivity, power back up sports facilities.
