# Student Portal

## Overview:

- This is the specially designed portal for Students/Parents which can help to know and get the information about their performance and account details.
- It captures Real Time information from everywhere.
- Access through any platform.
- Online Fees Payment – Students can know and pay their fees online any time that is due.
- Online Feedback system for students – Where they can give feedback about their subject faculty.

## Login Page:

- Visit the University website i.e, [www.osgu.ac.in](http://www.osgu.ac.in)
- Go to IUMS/ERP at the right top of website and select “Students/Parents” login.
- Student login page will be opened and student enters his/her credential (Username, Password and captcha code) for login.

## Home Page:

- It contains all the area on which student can access the information related to him/her.

## Alerts:

- Fees alerts – Any time any type of fees due on student will give you an alert for the same. So student can deposit the fees in time.
- Notice Alerts – System will notify you on any notice related to you.
